RE: FCC Certification
FCC ID: 2AXLP-CONNECTCHECK

To Whom It May Concern:

We, International Game Technology, hereby declare that
FCC ID: 2AXLP-CONNECTCHECK is a variant of FCC ID: 2AXLP-WINCHECKS2.

The differences as following:

FCC ID	Differences
2AXLP-WINCHECKS2	Product Name: WinCheck™ S2; Model Name: WinCheck™ S2
2AXLP-CONNECTCHECK	Product Name: ConnectCheck™; Model Name: ConnectCheck™

The difference between two versions is that the product name and model name are different, and the rests remain identical.

Thus, we hereby request to leverage the test data of FCC ID: 2AXLP-WINCHECKS2 to demonstrate the compliance of FCC ID: 2AXLP-CONNECTCHECK.

All test data are leveraged.

And there is no modification on the hardware and software, thus, it does not require additional evidence (spot check) to demonstrate full compliance of the device.

Thank you for your attention to this matter.

Br,

Justin Johnson
Test Engineer
