20.09.22

Model: AH-HUB3

Manufacturing Part Number: SMR19002_SMRHUB_X2

Name: *SmartRent Hub*, marked as *Alloy SmartHome Hub*

Orientation note: The hub is installed by mounting to a wall in the home with a subscription service. The term “front” is the view facing a person in front of the wall. The wall power connection is to the “right” side in that view.

Label location: The label is affixed to the “back” of the hub, in front of a wall mounting bracket that is installed before the hub is installed on it.
