

EXHIBIT 1 - PRODUCT LABELING

Proposed FCC ID Label Format

FCC ID: 2AXO6-PLB41

Specifications: The label shall be securely affixed to a permanently attached part of the device, in a location where it is visible or easily accessible to the user, and shall not be readily detachable. The label shall be sufficiently durable to remain fully legible and intact on the device in all normal conditions of use throughout the device's expected lifetime.

Proposed Label Location on EUT

<p>FCC ID Label Location</p>	<div style="text-align: right; margin-bottom: 20px;">  <p>F5 Sports, Inc. 4305 Enterprise Drive, Unit A Winston, Salem, NC 27106</p> </div> <p>Date: 10/22/20</p> <p>Federal Communications Commission Authorization and Evaluation Division 7435 Oakland Mills Road Columbia, MD 21046</p> <p>FCC ID: 2AXO6-PLB41</p> <p style="text-align: center;">Explanation for External Labeling</p> <p>To whom it may concern,</p> <p>F5 Sports, Inc. has produced a novel, embedded radio sensor, in a piece of athletic equipment (ie. a baseball) which will not be practical for external labeling.</p> <p>External labeling is not practical for the following reasons:</p> <ol style="list-style-type: none"> 1) Product is in a ball shape and a label will not bond to the dimensions of the ball. 2) Product is used as a training tool for baseball, and is constantly being picked up and thrown at high velocity will wear off any labeling. <p>The FCC has provided in KDB 784784 D01, Section 3, that instead of placing labels on a device externally, a grantee may elect to place the FCC ID labeling in an alternate location in such scenarios.</p> <p>The labeling of the product will be placed in the product manual</p> <p>A sample of the FCC ID in the manual is shown as below.</p> <div style="border: 1px solid black; padding: 10px; margin-top: 20px; text-align: center;"> <p style="font-size: small;">FCC ID: 2AXO6-PLB41</p> <p>FCC COMPLIANCE STATEMENT</p> <p style="font-size: x-small;">This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:</p> <div style="display: flex; justify-content: space-between; font-size: x-small;"> <div> <p>installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that</p> </div> <div> <p>the device will not cause interference.</p> </div> </div> </div>
