**07 Specifications** English

Technical Parameters	
Speaker Type	Portable Bluetooth Speaker
Speaker System	Dual channel + 2 Low frequency amplifiers
Loudspeaker	Dual internal magnetic speakers + 2 Low frequency amplifiers
Audio Input	Bluetooth, Micro SD Card, 3.5mm Aux-in
Supported Storage	Up to 32 GB storage device
Bluetooth Version	Bluetooth 5.0
Bluetooth Range	10 Meters
Functions	
Link two F60 speakers in Bluetooth mode to form true wireless stereo system	
Support voice chat phone call with the built-in mic	
Supports Media Type	APC/FLAC/WAV/WMA/MP3
	MP3: 8Kbps-320Kbps
	WMA: 8Kbps-384Kbps
Bit Rate	APC: 100Kbps-1200Kbps
	FLAC: 100Kbps-3200Kbps
	WMA: 320Kbps-384Kbps

**Size:** 215 \* 112.5 \* 68.5 mm  
**Weight:** 370g (including the built-in Lithium battery)

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help. The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure condition without restriction.
