

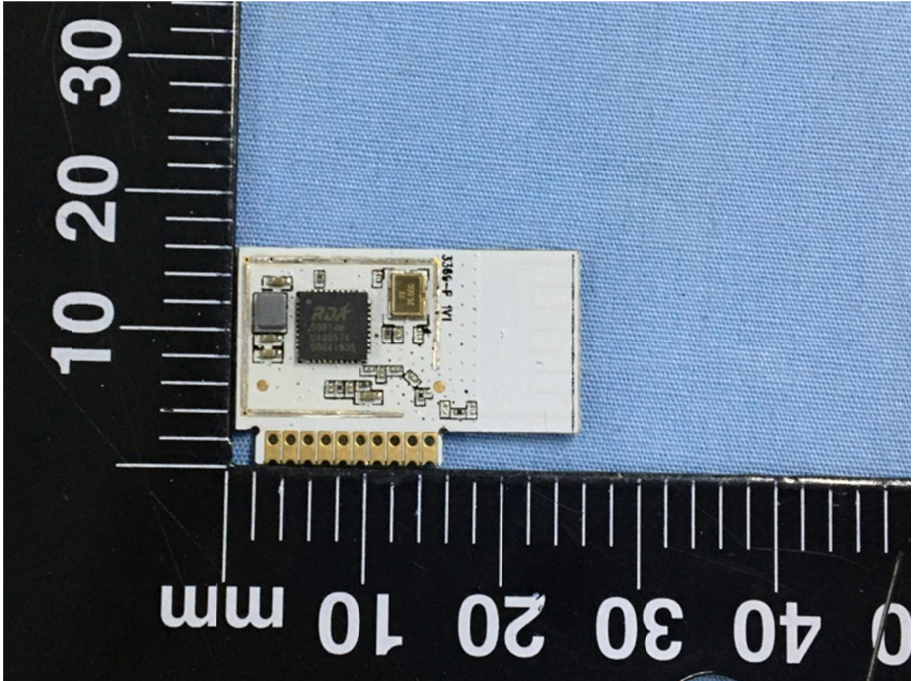

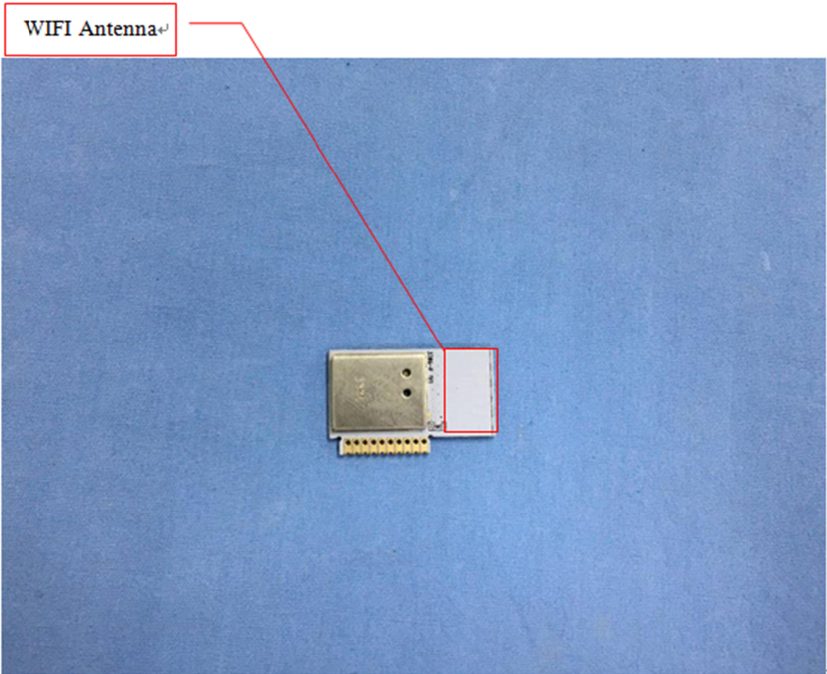

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>Solder Board-Component View 1</p>	 <p>A photograph showing a small electronic component, likely a WiFi module, mounted on a black printed circuit board (PCB). The component is rectangular and has several gold-colored pins at the bottom. A ruler is placed next to the component for scale, with markings in millimeters. The ruler shows the component is approximately 15 mm wide and 10 mm high. The component is mounted on a blue fabric background.</p>
<p>Antenna View</p>	 <p>A photograph showing the same electronic component from a different perspective, focusing on the antenna area. A red box highlights a small, rectangular antenna component on the top surface of the module. A red line points from the text "WIFI Antenna" to this component. The component is mounted on a blue fabric background.</p>
