

Declaration Letter of Changing ID

March 23, 2021

UL Verification Services Inc.
47173 Benicia Street, Fremont, CA 94538

We Mitsubishi Electric Corporation Nagoya Works, are requesting a change of ID grant for original FCC ID: RYYWYSAGVDXG and we will be identifying it with FCC ID: 2AXQZWYSAGVDXG-M.

The equipment is electrically identical and the new product version is identical to the certified product. The module manufacturer is the same. The original test results are applicable and representative of this changed device.

Only FCC ID and model number(*) that is included in the scope of changing ID are different. Meanwhile we submit the following documents. The documents on file with Federal Communications Commission from the original certification remain unchanged and continue to be valid except for these documents.

(*) WYSAGVDXG (Chip Antenna model) is the only scope of this certification.
Other models and antennas are not in the scope.
