Attention: Application Examiner

RE: Request for Confidentiality
Applicant: Nexxiot Inc
FCC ID: 2AXRX-HSV1A

To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by Nexxiot Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block Diagrams
- Detailed Operational/Functional Description
- Internal photos

Justification: Non-consumer device inaccessible to general public, such as a device mounted on rail cargo assets that is only serviceable by the licensee or designated technicians. Furthermore, the device is sealed by chemical welding and its label includes the warning "DO NOT OPEN".

- User Manual

Justification: Non-consumer device inaccessible to general public, such as a device mounted on rail cargo assets that is only serviceable by the licensee or designated technicians. Furthermore, the device is sealed by chemical welding and its label includes the warning "DO NOT OPEN".

NDA Statement: All contracting parties are obliged to bind their representatives and any other receiving person to confidentiality to the same extent as themselves. In the case of tangible goods, such as provided devices, the contracting party is prohibited from taking any measures aimed at reproducing the confidential information, in particular from opening the devices. The contracting party is obliged to ensure compliance with this obligation by imposing this obligation on all recipients, i.e. third parties who acquire the equipment.

Short-term Confidentiality

Request is hereby submitted by Nexxiot Inc. to withhold from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 45 days from the date of Authorization:

- Test setup photos
- External photos

Rationale for request for confidentiality:

Nexxiot Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us. Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.]

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

Kenneth Mannka
EVP Operations North America
