

The image shows a laboratory or testing chamber. The walls are covered in white acoustic panels arranged in a grid. In the center, a white rectangular sign with the Nemko logo is mounted. The logo consists of a blue circle with a white 'N' inside, followed by the word 'Nemko' in a dark blue sans-serif font. The floor is a light-colored, polished surface. In the foreground, there is a red metal railing. To the right, there are several orange safety barriers. In the background, there are several white rectangular blocks on stands, and a larger white rectangular block on a circular platform in the center. A small electronic device with wires is on top of this central block. The overall environment appears to be a controlled testing space.

The logo for Nemko, featuring a blue circle with a white dot inside, followed by the word "Nemko" in a bold, dark blue sans-serif font.
