Inquiry Details on 11/06/2020:

First category: Prod. Labelling/Manuals & Packing FCC Disclosures*
 Second category: Certification FCC ID Label (Prod Labl/Man &Pkg)
 Third category:
 Subject: FCC ID print on label or manual for small bluetooth earphone
 Inquiry: Dear sir:

we have some small bluetooth earphones ,as the size is small , and can't print the ID on it, and the earphone have a chargeing box , used for earphone charging and storge?In this case, the ID can only be printed on the manual, is it right?
 can you help me to confirm the above question,
 looking forward to your reply.
 Thanks.

FCC Response on 11/06/2020:

Hello,

Yes, If the device is unquestionably too small for the FCC ID to be readable (smaller than 4-6 points), the FCC ID may be placed in the user manual. However, the charging box requires it's own FCCID or SDoC approval.
