Screen Size	5.5" (213.7x213.7mm)
Material	Aluminum Alloy (PC)/PC
Waterproof	IP68
Weight	130g

Your account data for information such as height, weight, and gender is not shared with anyone. You can modify your information in the App.

2

Setting Up Your Smart Watch

For the best experience use the Smart Watch in combination with the Honky 2 App for iOS and Android.

1. Download the Honky 2 App from the App Store or Google Play. For Android, you may need to enable unknown sources.

2. Install the App. Note that you must have an account with the app before you can use the watch.

3. When the app is installed, open it and follow the instructions on the screen. This will help you create your account, log in to your account, and connect the watch to your phone.

4. Connect the watch to your phone via Bluetooth. The watch will be in pairing mode and the app will show a list of nearby devices. Select the watch to connect.

5. Once connected, the app will show the watch's status and allow you to customize the watch's settings.

6. Once the watch is connected to your phone, you can use the watch's features. The watch will be in pairing mode and the app will show a list of nearby devices. Select the watch to connect.

3
