

Date: 2/15/2022

To the attention of:  
Federal Communications Commission  
Authorization and Evaluation Division

FCC ID: 2AY33-ADEC430531

To Whom It May Concern:

A-dec, Inc. is seeking a Class 2 Permissive Change of device A-dec Gateway, model 43.0531.00,

We hereby declare the RF change is limited to increase of 5GHz band from 5150-5250 MHz to 5150-5850 MHz. A new test report demonstrating compliance will be submitted for the new frequencies of operation. There are no changes in firmware.

1. No hardware changes have been made.
2. There is no increase in the output power rating on new frequencies.
3. The Equipment Class remains the same.
4. RF exposure documentation will be provided.
5. As we are the original equipment manufacturer, we may implement the new frequencies.
6. There are no other changes to the device that indicate a need for a new FCC ID.

Product functions are controlled through proprietary firmware and is not user changeable.

If you should have any question(s) regarding this declaration, please don't hesitate to contact us.

Thank you
