Please read this user manual carefully before use and keep it for future reference.

Veillez lire ce mode d'emploi attentivement avant l'utilisation et conservez-le pour toute référence ultérieure.

Lea este manual del usuario atentamente antes del uso y consérvelo para futuras consultas.

Leia este manual do usuário cuidadosamente antes de usar e guarde-o para referência futura.

Lesen Sie bitte dieses Handbuch vor dem Gebrauch sorgfältig durch und bewahren Sie es zum späteren Nachschlagen auf.

Leggere attentamente questo manuale d'uso prima dell'utilizzo e conservarlo per riferimento futuro.

Przeczytaj uważnie niniejszy podręcznik użytkownika i zachowaj go do wykorzystania w przyszłości.

Внимательно прочтите руководство пользователя перед использованием и сохраните его на случай необходимости.

Уважно прочитайте цей посібник користувача перед використанням і збережіть його для подальшого використання.

사용 전 이 사용자 설명서를 주의 깊게 읽고 향후 참조할 수 있도록 보관하십시오.

使用前にこの取扱説明書をお読みになり、参照できるように保管してください。

使用产品前请仔细阅读本使用说明，并请妥善保管。

يرجى قراءة دليل المستخدم هذا بعناية قبل الاستخدام والاحتفاظ به للرجوع إليه مستقبلاً.

Connection Steps

1. Power on

The earphones will automatically power on after opening the charging case lid.

2. Wireless connection

Turn on wireless mode on your phone to search and pair the earphones.

Select device model: Baseus Bowie E9

3. Download the app and link the earphones to app.

4. Power off

Put the earbuds into the charging case and close the lid to power off the earphones.

Function Operation

🎵 Music mode:

- ▶ Play/ Pause: Put on/off (L or R)
- ◀ Previous song: press and hold the left earphone 1.5s
- ▶ Next song: press and hold the right earphone 1.5s
- ⌚ Switch to low latency mode: Double-tap left or right earphone (L or R)
- 🗣️ Activate the voice assistant: Triple-tap left or right earphone (L or R)

☎️ Call mode:

- 🗣️ Answer/ hang up: Double-tap left or right earphone (L or R)
- 📞 Reject a call: press and hold left or right earphone (L or R) 1.5s

Battery charge level indicator:

 The charging case charges the earphone.

 Connect the power supply to charge the charging case.

Low latency mode switchover:

Method 1. Double click the left or right ear earphone (L or R)

Method 2. Manually turn on/ off on the Baseus APP

Battery level display:

Open the lid or click the charging case to display the current battery level of the charging case.

Restore factory settings:

Turn off Wireless of the mobile phone. Open the earphone lid and then press and hold the charging case for 5 seconds.

Tips for using the app:

1. The effective duration of searching function is about 35 hours. Please use the function for searching missing earphones during this period.
2. When the searching function is turned on in the app, the earphones will sound an alarm. Please ensure to use this function when not wearing your earbuds to avoid hearing damage.

Note: Go to Settings>App>App launch>Open manually "Baseus" app: Allow Auto-launch, Allow secondary launch and running in background.

Product safety information

Improper use of the product can easily cause damage to the product or may endanger personal and property safety.

- The battery is included in the product. Please avoid exposing your product to the sunlight, electric heater or similar overheating environments. Do not store the product in high temperature, strong light and strong magnetic places.
- Do not keep it in other harsh environments such as fire source. Intense physical actions such as knocking, throwing, trampling on and squeezing etc. shall be avoided. Do not use it in case of expansion.
- The ambient temperature of product is 0~45°C.
- Inappropriate use of the product against this user manual or ignoring warnings can easily cause damage the product or may endanger personal and property safety. Consumer shall bear for all the consequences, to which our company will not assume any legal liability.
- Decomposition of this product by non-professionals is strictly prohibited.
- Do not use a load (electrical appliances) that exceeds the output current of this product. A circuit protection mechanism is built-in to automatically stop working if loads exceed.
- Please use a clean cotton cloth to clean the charging contacts of earphones regularly to prevent it from failing to charge or turn on due to missing cleaning for a long time.
- Do not put this product in water (or washing machine). If water enters the product, let it dry naturally before using it.

Product Parameters

Name: Baseus True Wireless Earphones

Model No.: Baseus Bowie E9

Material: ABS+PC

Version: V5.3

Communication distance: 10m

Playtime: 5 hours (%70 of the volume)

Playtime with a charging case: 25~20hours

Battery capacity: 40 mAh/0.148 Wh (earphones)

400 mAh/1.148 Wh (charging case)

Earphone rating input: DC5V = 80 mA

Charging case rating input: DC5V = 450 mA

Earphone rating consumption current : 10 mA

Charging case rating current consumption: 160 mA

Fully charging time: about 1 hour

Frequency response range: 20 Hz20- kHz

Charge interface: Type-C

Suitable for: Compatible with most of wireless devices

*The above data are measured by the Baseus laboratory, the actual use can be slightly different depending on the specific circumstances.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC RF exposure statement:

The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This equipment complies with the provisions of Directive 2012/19/EU, 2006/66/EU. It is strictly forbidden to dispose of this equipment with ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.

It is hereby declared that Baseus Bowie E9, a product model of Shenzhen Times Innovation Technology Co., Ltd., complies with the provisions of Directive 2014/53/EU, Directive 2011/65/EU. The full text of the EC Declaration of Conformity can be found on the following website: www.baseus.com

<p>Warning ⚠</p>	<p>Please follow the above safety instructions otherwise it will cause fire, electric shock, damage or other damage.</p>
