- Do not use a load (electrical appliances) that exceeds the output current of this product. A circuit protection mechanism is built-in to automatically stop working if loads exceed.
- Please use a clean cotton cloth to clean the charging contacts of earbuds regularly to prevent it from failing to charge or turn on due to missing cleaning for a long time.
- Do not put this product in water (or washing machine). If water enters the product, let it dry naturally before using it.

### Product Parameters

Name: Baseus True Wireless Earphones  
Model No.: Baseus Bowie W04+  
Material: ABS+PC  
Version: V5.3  
Communication distance: 10m  
Music time: 5 hours (70% of the volume)  
Music time with a charging case: 18-24hours  
Battery capacity: 40mAh/0.148Wh (earphones)  
300mAh/1.111Wh (charging case)

Earphone rated input: DC5V-80mA  
Charging case rated input: DC5V-350mA  
Earphone rated consumption current: 9mA  
Charging case rated current consumption: 110mA  
Charging time: about 1.5 hours  
Frequency response range: 20Hz-20kHz  
Charge interface: Type-C  
Suitable for: Compatible with all wireless devices

\*The above data are measured by the Baseus laboratory, the actual use will be slightly different depending on the specific circumstances.

### Packing List

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:  
-- Reorient or relocate the receiving antenna.  
-- Increase the separation between the equipment and receiver.  
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.  
-- Consult the dealer or an experienced radio/TV technician for help.

### FCC RF exposure statement:

The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. The device can be used in portable exposure condition without restriction.

This equipment complies with the provisions of Directive 2012/19/EU, 2006/66/EU. It is strictly forbidden to dispose of this equipment with ordinary trash; it must be recycled. This symbol indicates that the product shall not be treated as regular domestic trash, and must be delivered to a recycling center that is capable of recycling electronic and electrical equipment.

It is hereby declared that Baseus Bowie W04+, a product model of Shenzhen Times Innovation Technology Co., Ltd., complies with the provisions of Directive 2014/53/EU, Directive 2011/65/EU. The full text of the EC Declaration of Conformity can be found on the following website: www.baseus.com

Warning: Please follow the above safety instructions otherwise it will cause fire, electric shock, damage or other damage.
