

Instruction Manual

Please read the instructions carefully first, in order to install the product correctly for quick use.

The watch will automatically absorb when it is directly put into the charger

Specifications

Product Name:Wireless charger for watch

Product Material:Plastic,PCB,PE

Input:5V/1A(Max)

Wireless Output:3W

Frequency:326.5kHz

Conversation Efficiency:>79%(max)

Charging distance:≤6mm

Power Interface:Type-A

FCC ID: 2AY3K-YFW-WC001

Operating temperature:35°C

Shenzhen Yongfengwang Technology Co., Ltd.

FCC Warning statement:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC RF exposure statement:

This equipment complies with FCC Radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the product and your body.
