Officially notify

CCIC Southern Testing Co., Ltd. that the BOLT TL35 V2 have the same technical construction including circuit diagram, PCB Layout, components and component layout, all electrical construction and mechanical construction, with TL35 V2 The difference lies only in model name of the different models. The TH50 V2 / BOLT TH50C V2 have the same technical construction including circuit diagram, PCB Layout, components and component layout, all electrical construction and mechanical construction, with TL35 V2 The difference lies only in lens focal length and thermal imaging module of the different models. The TP25 SE / TL25 SE have the same technical construction including circuit diagram, PCB Layout, components and component layout, all electrical construction and mechanical construction, with TL35 V2 The difference lies only in lens focal length and thermal imaging module of the different models. The TL35 SE have the same technical construction including circuit diagram, PCB Layout, components and component layout, all electrical construction and mechanical construction, with TL35 V2 The difference lies only in thermal imaging module of the different models.

<<Model A>>: BOLT TL35 V2 / TH50 V2 / BOLT TH50C V2 / TP25 SE / TL25 SE / TL35 SE

<<Model B>>: TL35 V2
