

DECLARATION OF CONTINUED RF EXPOSURE COMPLIANCE

August 22, 2024

I, Nora C.R. York, in my capacity as Vice President of RA/QA at Canary Medical USA LLC., hereby declare that:

1. The Medical Implant Communications Service (MICS) transmitter in our device [Device Model Number: 43-5570-001-15] does not operate simultaneously with the newly integrated Wi-Fi [FCC ID: 2AYAJ-WF1] and Bluetooth [FCC ID: R7T1201102] modules.
2. The original RF exposure compliance assessment for the product remains valid and unchanged.
3. The integration of the Wi-Fi and Bluetooth modules has not altered the fundamental RF emissions characteristics of the device.
4. All RF exposure levels remain within the limits set forth by the Federal Communications Commission (FCC).
5. The device continues to comply with all applicable FCC rules and regulations regarding RF exposure.
6. No changes have been made to the device that would affect its RF exposure characteristics in a manner that would require re-evaluation.

This declaration is made to the best of our knowledge and belief, based on thorough testing and analysis conducted by our engineering team.

Signed:

Nora C.R. York
