ATTN.: Reviewing Engineer

Canary Medical USA LLC (“the applicant”) is providing this letter to confirm that the Canturio™ Smart Extension (se) (“the device”), with FCC ID: 2AYAJ-CTE2, is a permanent medical device implant (14 mm (depth) and 30 mm (height)) that is surgically implanted by a surgeon into a patient (“the end user”). Since the implant is too small to include any additional information directly on the device, the FCC ID is placed only on the packaging labels as shown in the figure below.
