/// Kiel / 22. Feb. 2021

**Subject: Declaration of Similarity**

FCC ID: 2AYEQSM1

Models: Beacon Primary, Beacon Secondary

We, DESIGNA Verkehrsleittechnik GmbH, herewith confirm that for the models 'Beacon Primary' and 'Beacon Secondary' the RF Transmitter Module is electrically identical.

The difference between them is the circuit board for individual usage. The 'Beacon Primary' is powered by a 5V power supply with an on-board 3.3V voltage regulator. The 'Beacon Secondary' is powered by two 1.5V batteries.

Sincerely,

By: *i.A. Timo Klein*
