

Date: 2/22/2021

Federal Communications Commission

Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, Maryland 21046

Subject: Certification for Passive Entry Start System (LF Transmitter and LF Transceiver)

Model Number: B1NA5

Brand Name: DENSO

FCC ID: 2AYGPB1NA5

Applicant/Manufacturer: DENSO International America, Inc.

To whom it may concern:

We would like to make an original application of FCC Certification covered under the new FCC ID: 2AYGPB1NA5.

This device contains a LF transmitter at 125 kHz. We are seeking compliance according with FCC Rule Part 15.209.

We are going to introduce the subject mentioned in the automotive industry. Implementation will start by September 2021.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Summerford", is written over a horizontal line.
