Subject: Professional Installation Statement for FCC ID:2AYHY-CT10X

Dear Sir or Madam,

Please be notified that we, the undersigned, state that our device requires professional installation based on the following reasons:

1 this device will not be sold to the general public, it will be sold to dealers only.

(Avoid product circulation to the general public through sales channels: do not sell on the platform.)

2 This device requires controlled installation location by professional installers. (Limitations on product usage scenarios: Buckling on wires poses certain risks and requires professional personnel for installation. Application scenario: Installed in a distribution box in a building or factory, the current clamp probe is placed on the circuit under test, and the host is suspended or installed near the distribution box, so installation by professionals is required)

3 The product is for industrial use and is a fixed-use equipment, the device requires professional configuration for use.

These statements above apply to the following project:

Product name: Smart Current Transformer
