

Translation Pen F5 Manual & Warranty Card

1. CMIIT ID code:
Go to the device-Settings-About to check.
2. Scan the QR code on the left or go to <https://imoo.com/e-manual/> to view more details.

1. Package Contents:

imoo Translation Pen	1	Type-C Cable	1
Manual & Warranty Card	1	—	—

2. Product Parameters:

Model: D21X3AO
 Working Temperature: 0 °C ~ 35 °C
 Screen: 2.99 inches TFT (268*800)
 CPU: RK3326
 Memory: RAM: 1GB; ROM: 16GB
 Operation System: Linux 4.4
 Dimension: 149.3*32*12.8 (mm)
 Connectivity: Wi-Fi: 2.4G:b/g/n(2412-2472MHz); Bluetooth 4.2
 Rated Output Power: ≤20dBm
 Sensor: G-sensor
 USB: USB 2.0 type-C

Material Code: 5211796 Version: V21-10 F121

3. Attentions

- Avoid dropping the device or subjecting it to excessive pressure;
- To avoid damage to the screen, avoid touching it with sharp objects such as pens, ballpoint pens, pencils, etc., neither squeezing it with heavy objects.
- Avoid using the device in dusty areas or throwing or shaking it to avoid damaging its parts.
- Avoid using or keeping the device in an environment of high temperature, high pressure, humidity, strong static electricity, and strong magnetic field. Otherwise, accidents such as circuit damage, fire and explosions may occur.
- Do not keep it to human or pet's eyes at close range when the light of the scanning window is on to avoid causing temporary dazzle or visual damage.
- This product is not water resistant and should be away from water, other liquids and their splashes. Objects with liquid such as vases, should not be placed over the device. If it gets wet by accident, please keep it power-off and dry it up, then send it to a nearby service center for maintenance.
- This product does not include a power adapter. If you'd like to use a power adapter for power supply, please purchase a qualified one with CE certification from official channels.
- Do not operate the power adapter with wet hands while charging, as this may cause electric shock. After charging or when it's not in use for a long time, please disconnect the power adapter from the socket.

- For the built-in battery in the device, it's strictly prohibited to dismantle, squeeze, heat or burn the battery, or to touch or pry the battery with sharp objects, screwdrivers, etc., since the operations mentioned above may cause fire or burn of the battery.
- If the battery is overheated, discolored, out of shape, bulged or leaking during use or charging, stop using and bring it to the after-sale service center for testing to avoid safety problems.
- Improper battery replacement may cause explosions, thus, when replacing, only those of the same or equivalent type should be selected.
- Do not use or place this device under high temperature, for example, expose it to open fire or direct sunlight, as it may cause leaking and overheat, which may reduce the performance and shorten the life of the battery.
- Do not leave the device in a cold or humid place, as this may cause the battery to become damp and can't work normally.
- When this device and or its battery reaches their end of life, please, according to local laws and regulations, dispose of them separately from household waste.
- Pacemaker and implanted cardioverter defibrillator: keep the distance between the device and the instrument greater than 6 inches (about 16cm) when using. If you suspect that there are interference, please power off the device immediately.
- Hearing aids and implanted cochlea: some wireless digital devices may interfere with some hearing aids or implanted cochlea. If such

kind of interference occurs, please contact the manufacturer of the wireless digital devices to find a solution.

- For other medical equipment, check with the manufacturer to confirm whether the surrounding RF signals can be adequately shielded. You can also consult your doctor for the relevant information.

All pictures shown are for illustration purpose only. Actual product may vary due to product enhancement.

Safety rules for children:

- (1) CHOKING HAZARD—Small parts contained, please keep it out of the reach of children under 3 years old;
- (2) This device is not a toy. Children under 3 years old should use this device under adult supervision.

Hearing protection tips:

- (1) To prevent possible hearing damage, please do not use high sound pressure level and high volume to listen to for a long time;
- (2) When connecting headphones to the device, it's recommended to use the minimum volume required for the audio so as to avoid hearing damage;
- (3) Prolonged exposure to high volume may cause permanent hearing damage.

4. Personal Data Security

- We will collect your platform data, usage data, system version, MAC address, network data, CMIIT ID, browsing history during your use of the device in accordance with local laws and regulations. Respecting your privacy is a fundamental part of our policy. We will strictly comply with relevant laws and regulations, and in accordance with our predetermined agreements with our affiliated parties and the third party partners, make reasonable commercial efforts to urge them to fulfill their commitments to protect your personal data as we do. Therefore, in order to provide you with the service of this device, you hereby authorize us to share the usage data collected with our affiliates and partners.
- We will take necessary technical measures to protect your terminal device information and data security in accordance with industry standards in a reasonable and prudent manner, but you acknowledge and agree that imoo can not provide a complete guarantee in this regard.
- We offer you our products and services on an "as is" and "as available" basis. We make no and/or disclaim all representations and warranties, express or implied, including, but not limited to, with respect to merchantability, fitness for a particular purpose, non-infringement, quality, and absence of computer viruses, as well as any representations and warranties regarding:
 - (1) This service will meet your specific needs;
 - (2) This service will be provided without interruption, in a timely

- manner, safely or without defects;
- (3) Any defects or errors in any software used as part of the service will be corrected.
- You can go to the device-Settings-About-Legal Notices-Privacy Policy to view the detailed Privacy Policy.

5. FCC SAR Statement

- The SAR limit of USA (FCC) is 4.0 W/kg (averaged over any 10 grams of tissue) for limbs. This device has also been tested against this SAR limit. When properly held by hands, it is 0.502 W/kg.
- This device was tested for typical operations with the pen contact directly limbs.
- The use of belt clips, holsters and similar accessories should not contain metallic components in its assembly.
- The use of accessories that do not satisfy these requirements may not comply with FCC RF exposure requirements, and should be avoided.

6. FCC Compliance Statement

- This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 - (1) this device may not cause harmful interference, and
 - (2) this device must accept any interference received, including

Warranty Card (The First Invoice: User Invoice)	
User's Data	User's Name: _____ Telephone: _____ Kid's Grade: _____
Warranty Data	Name of Sales or Service Center: _____ Cause of Machine Repair: _____ Handled by: _____ Telephone: _____ Handled on: _____ (DD/MM/YYYY)
Product Data	Product Model: _____ Machine No.: _____ Date of Purchase: _____ (DD/MM/YYYY) Site of Sales: _____ (Store) _____ _____ (Address)

Warranty Card (The Second Invoice: Sales Invoice)	
User's Data	User's Name: _____ Telephone: _____ Kid's Grade: _____
Warranty Data	Name of Sales or Service Center: _____ Cause of Machine Repair: _____ Handled by: _____ Telephone: _____ Handled on: _____ (DD/MM/YYYY)

E-mail: support@imoo.com

Our company is continuously improving the features of the product. Please be aware that descriptions in the manual may be slightly different from the actual product in features, specifications or design. And, there will be no prior notice for these slight differences.

Please read the manual carefully before using the product and keep it properly.

All pictures shown are for illustration purpose only. Actual product may vary due to product enhancement.

- interference that may cause undesired operation.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
- If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 - Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.

7. EU&UK Declaration of Conformity (DOC)

- Hereby, Guangdong Genius Technology Co., Ltd., declares that this type of equipment is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU and UK Radio Equipment Regulations (SI 2017/1206).
- The declaration of conformity may be consulted at: <https://www.imoo.com/en/pc/certification/index.html>.

8. CE&UK Certification Information (SAR)

- The SAR limit of Europe is 4.0 W/kg (averaged over any 10 grams of tissue) for limbs. This device has also been tested against this SAR limit.
- When properly held by hands, it is 0.715 W/kg. This device was tested for typical operations with the pen contact directly limbs.
- The use of belt clips, holsters and similar accessories should not contain metallic components in its assembly.
- The use of accessories that do not satisfy these requirements may not comply with CE&UK RF exposure requirements, and should be avoided.

9. Waste Electrical and Electronic Equipment (WEEE):

- This symbol means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, user has the choice to give his product to a competent recycling organization. Proper recycling of your product will protect human health and the environment.
- Our company will seek shared responsibility and cooperation from customers in reducing the environmental impact of their products.
- Our company will comply with all the applicable laws related to WEEE management.

10. Caution

- Risk of explosion if the battery is replaced by an incorrect type;
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion;
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas;
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

11. Warranty Descriptions

Service Terms:

- Thank you for choosing our product. We will provide comprehensive service assurance in accordance with local rules and regulations. In case of any inconsistency or omission with local policies, the local policies shall prevail.
- Within the 1-15 days from the date of sale, users can choose product replacement or return for performance fault (not caused by human factors) of the main machine.
- Within 24 months from the date of sale, users can enjoy warranty service for performance fault under normal use.
- The premise of requesting warranty service is to have a valid warranty card and purchase invoice (The information filled in the valid warranty card and purchase invoice should be complete, accurate and without alterations). If the valid warranty card and purchase invoice are lost and a copy of the valid invoice cannot be provided, a 24-month warranty service will be provided since the 90th day after the date of production of the product.
- We provide a 24-month (from the date of sale) replacement service for the Type-C charging cable.
- Other accessories (such as Manual and Warranty Card) do not enjoy the warranty service.

Warranty Descriptions and Attentions:

- When purchasing the device, the seller will cooperate with you to

- fill in the warranty card completely and accurately. Remember to request a valid purchase invoice or purchase voucher and keep it properly.
- The warranty service is only valid under normal use of the device. For the cases as below, we do not provide warranty service but provide repair requiring an extra charge.
 - Exceeded the warranty period;
 - Damage caused by human factors, including damage caused by the user's failure in using, operating or keeping the product as required by the manual;
 - Damage caused by unauthorized dismantling, maintenance, repair and modifications;
 - No valid warranty card or purchase invoice (except those that can prove the product is under warranty);
 - Unauthorized alterations of the warranty card; or the product model or code on the warranty certificate is inconsistent with the actual product;
 - Damage caused by natural disasters (e.g. flood, fire, earthquake, lightning, etc.);
 - Damage caused by virus infection or deletion or installation of program during use;
 - Faults caused by the use of waste and inferior batteries (battery leakage corrodes circuit boards);

- (9) Natural wear and tear of the product shell during use (e.g. shell, buttons, display screen, accessories, etc.);
- (10) Damages caused by human factors (e.g. liquid penetration, dropping, etc.);
- Any oral agreement made by the dealer regarding the warranty contents, which is beyond the scope of this warranty agreement, shall not be included in the scope of warranty.
- For products eligible for replacement, you can replace them from the website which you purchased from. During replacement, if the main machine is faulty, you can replace it with a new one of the same specification for free.
