

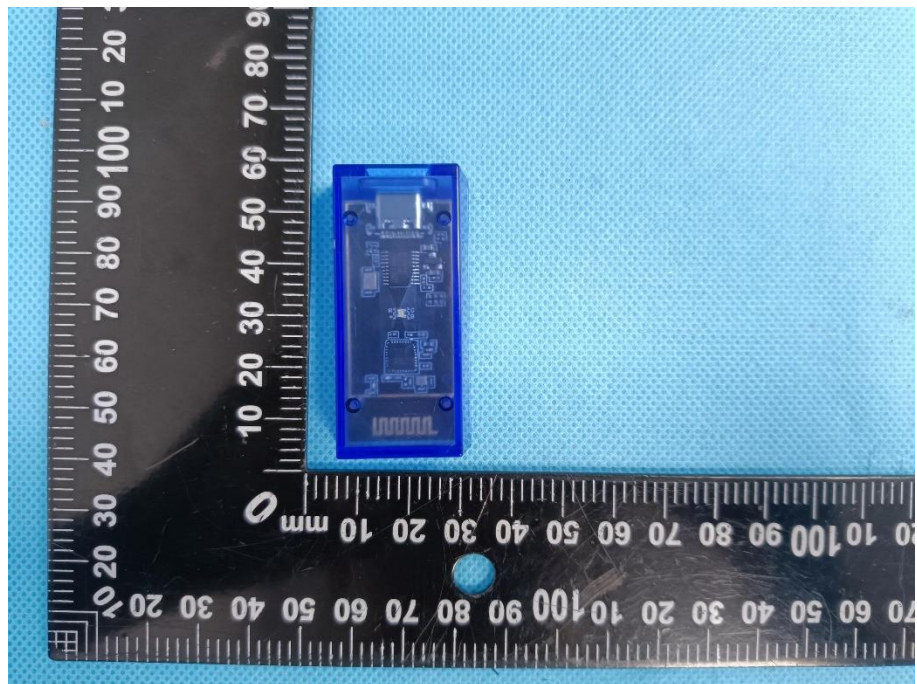

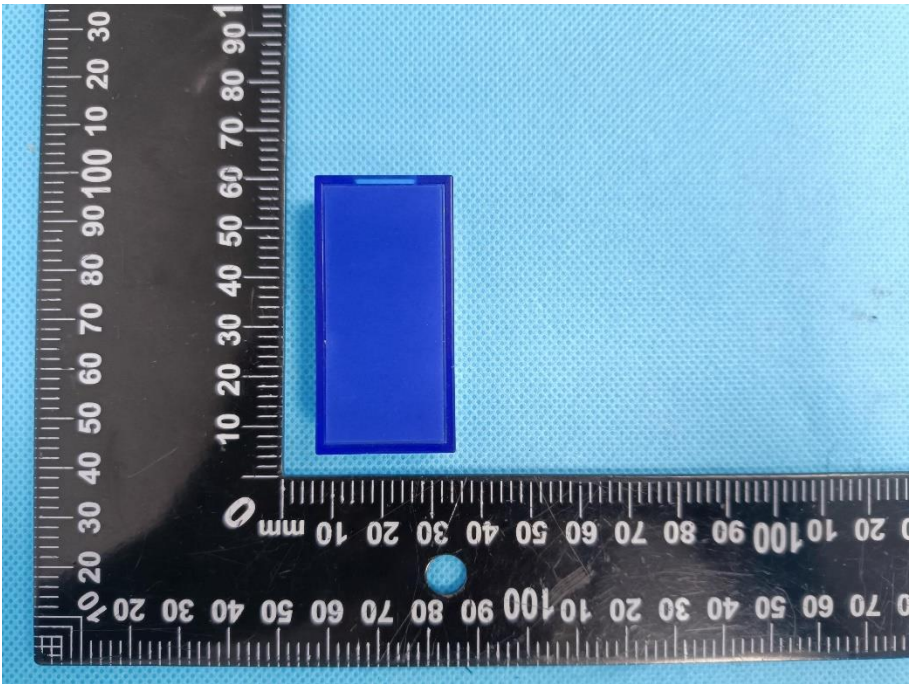

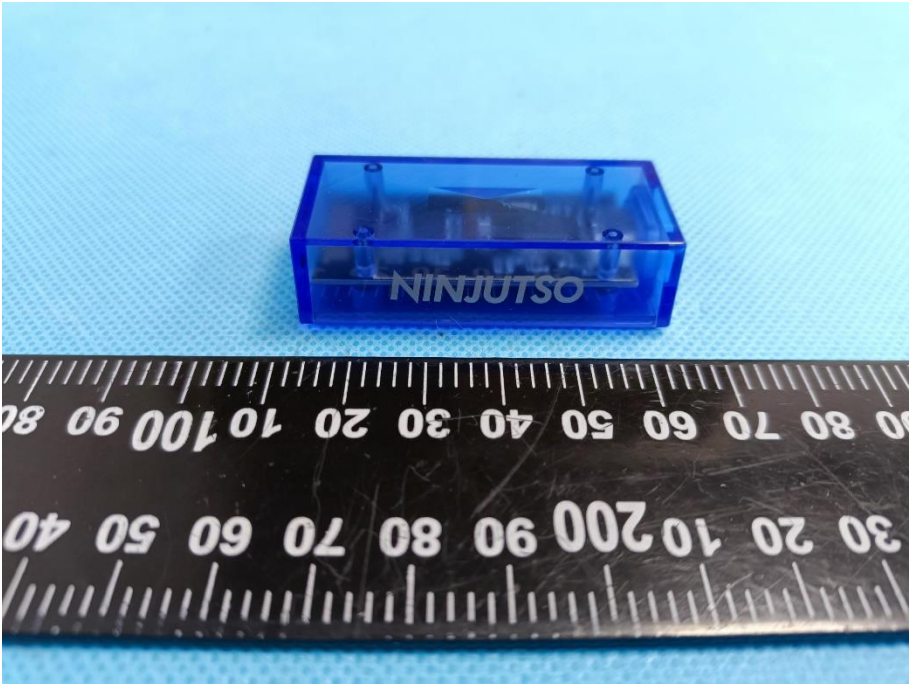

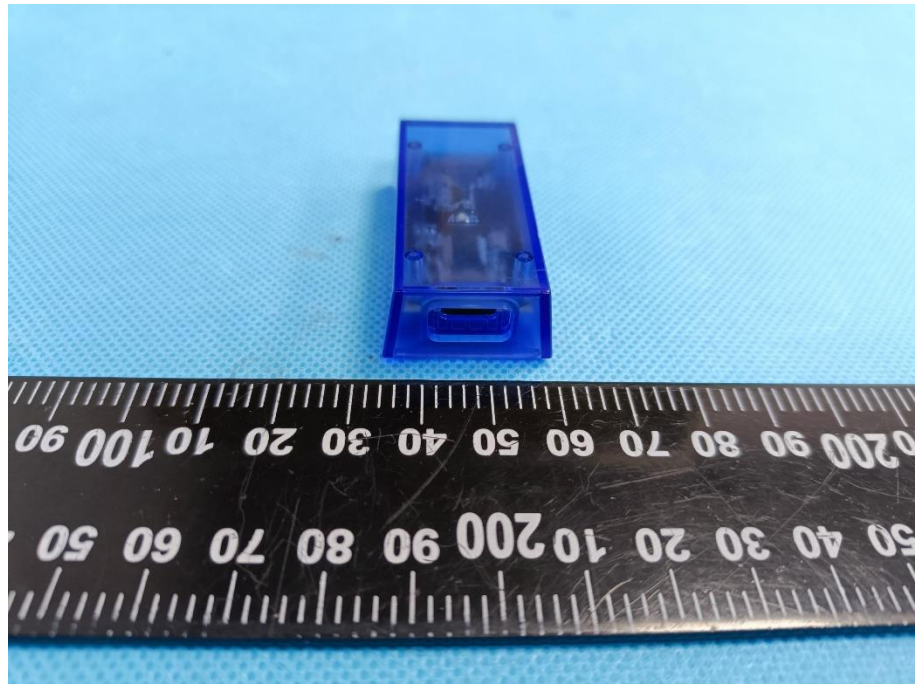

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

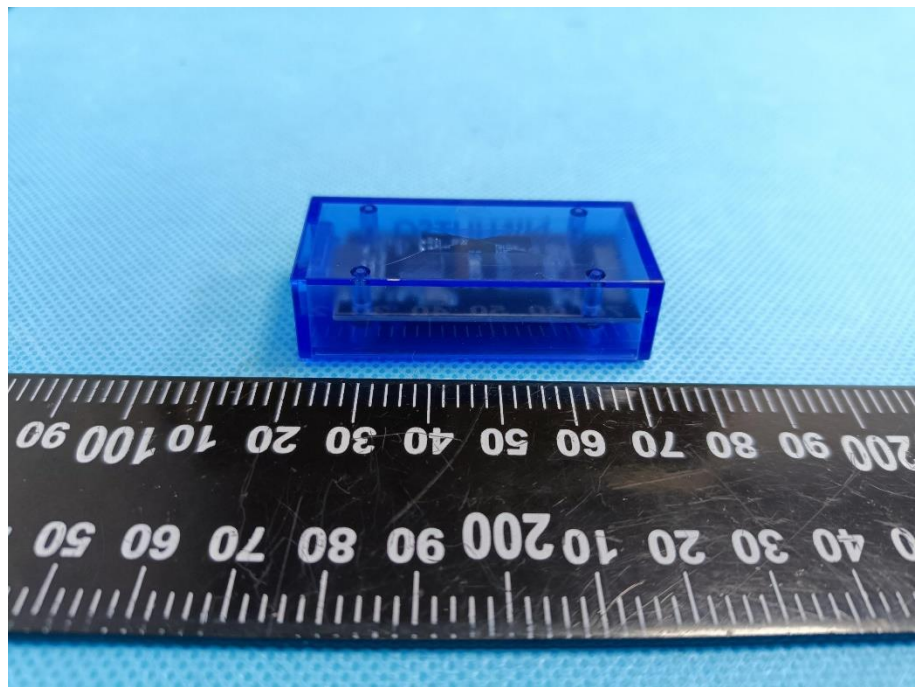

EUT View 1**EUT View 2**

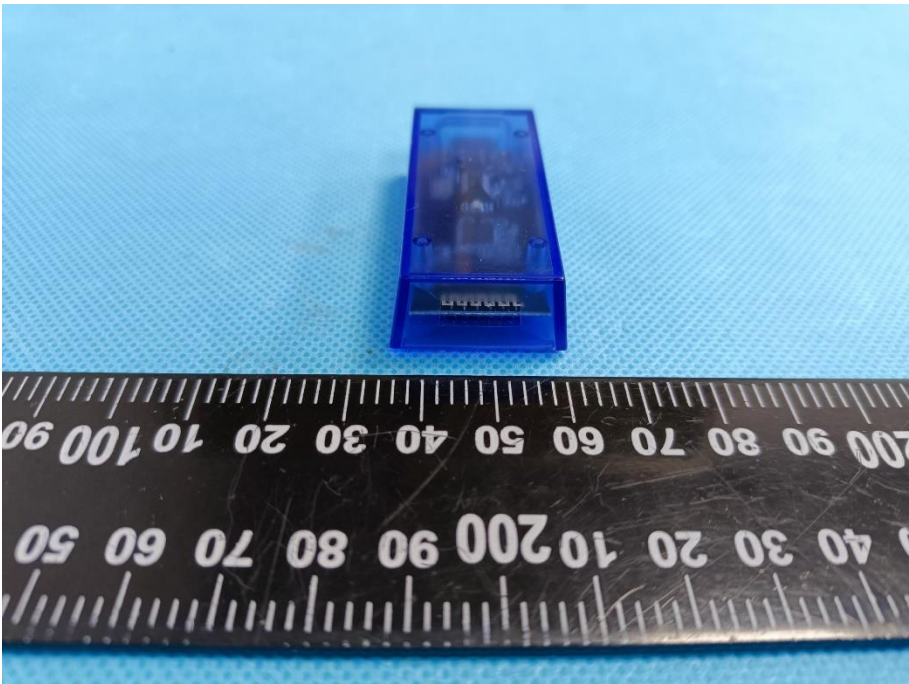

EUT View 3	 A photograph showing a blue rectangular component (EUT) placed on a light blue textured surface. To the left of the component is a black L-shaped ruler with white markings. The vertical ruler scale ranges from 0 to 100 mm, and the horizontal ruler scale ranges from 0 to 100 mm. The component is positioned between the 10 mm and 20 mm marks on both scales.
EUT View 4	 A photograph showing a blue rectangular component (EUT) from a different angle. The component is transparent blue and has the word "NINJUTSO" printed in white on its front face. It is placed on a light blue textured surface. Below the component is a black ruler with white markings, showing a scale from 0 to 100 mm. The component is positioned between the 20 mm and 30 mm marks.

EUT View 5

EUT View 6

EUT View 7	 A photograph of a blue, rectangular electronic component (EUT) placed on a light blue textured surface. Below the component is a black ruler with white markings, showing measurements in millimeters and centimeters. The component is oriented vertically, and the ruler is placed horizontally below it for scale.
EUT View 8	 A photograph of the same blue rectangular component from a different angle, showing its internal structure. The component is oriented vertically, and the image highlights the internal components and the blue casing.
