

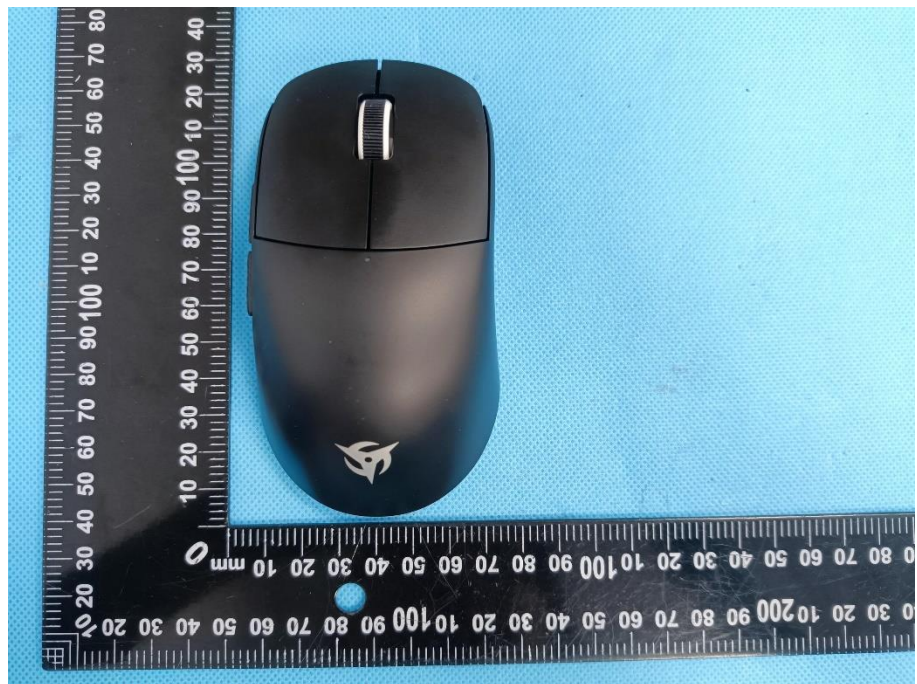

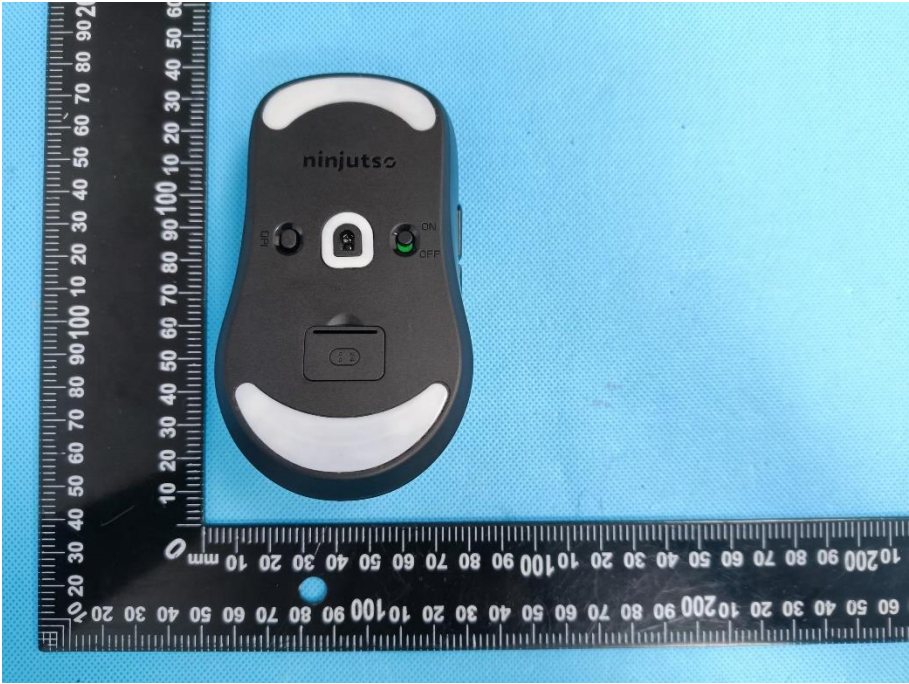

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1**EUT View 2**

EUT View 3	 A top-down photograph of a black and white Ninjabot wireless mouse. The mouse has a distinctive shape with white curved accents at the top and bottom. It features a central optical sensor, a small green power button with 'ON' and 'OFF' markings, and a small circular button. The brand name 'ninjabot' is printed in the center. A black ruler with white markings is placed horizontally below the mouse, showing measurements in centimeters and millimeters. The background is a light blue textured surface.
EUT View 4	 A side profile photograph of the same black and white Ninjabot wireless mouse. The mouse is shown from its left side, highlighting its ergonomic shape and the scroll wheel. A black ruler with white markings is placed horizontally below the mouse. The background is a light blue textured surface.

EUT View 5	 A top-down photograph of a black, ergonomic computer mouse. The mouse has a central scroll wheel and two main buttons. It is positioned on a light blue textured surface. A black ruler with white markings is placed horizontally below the mouse, showing measurements in centimeters. The ruler is oriented such that the 0 mark is on the left and the 100 mark is on the right.
EUT View 6	 A side profile photograph of the same black computer mouse. The mouse is shown from its left side, highlighting its ergonomic shape and the scroll wheel. It is placed on the same light blue textured surface. A black ruler with white markings is positioned horizontally below the mouse, showing measurements in centimeters. The ruler is oriented such that the 0 mark is on the left and the 100 mark is on the right.

EUT View 7	 A top-down view of a black, ergonomic computer mouse. The mouse has a white logo on its top surface. It is positioned next to a black ruler with white markings, which shows measurements in centimeters. The background is a light blue textured surface.
EUT View 8	 A bottom-up view of the computer mouse. The USB connector is visible at the front. The base of the mouse is black, and the word 'NINJUTSO' is printed in white on the bottom. The mouse is resting on a blue plastic stand. The background is a light blue textured surface.
