

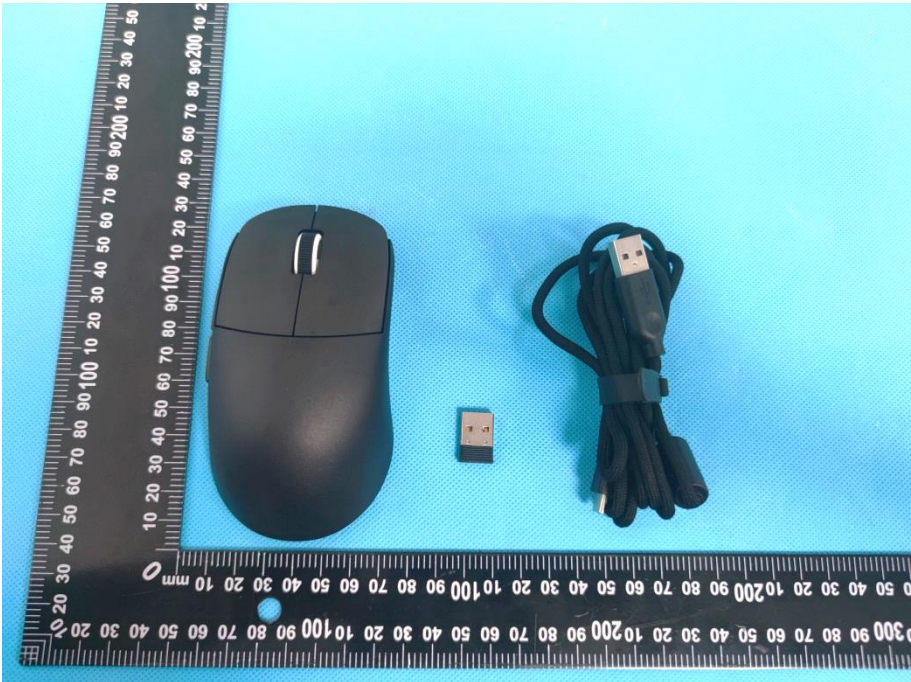

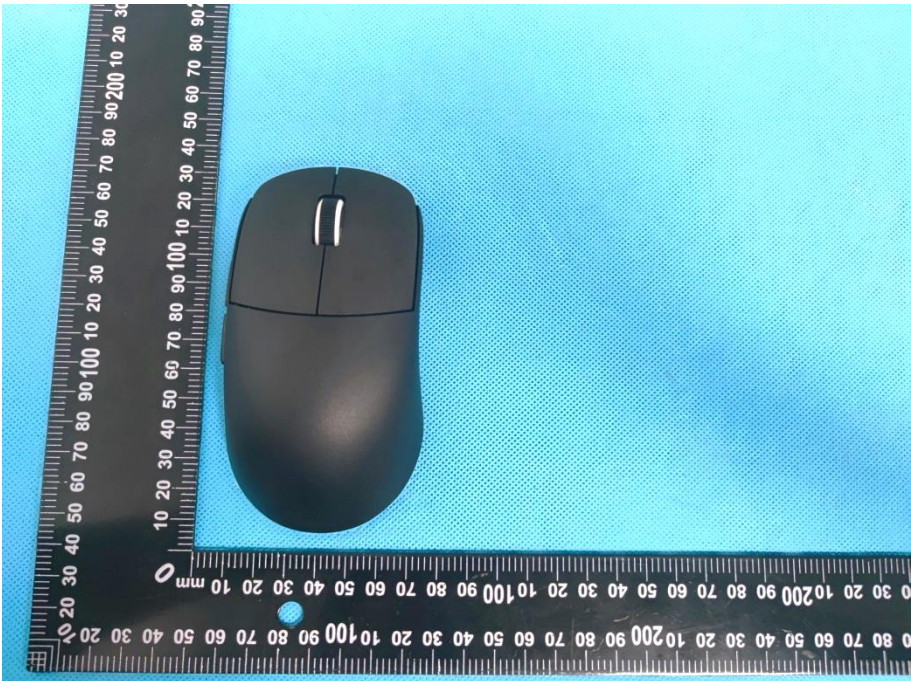

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black computer mouse, a small black USB receiver, and a black USB cable with a braided section. They are placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top. The mouse is positioned to the left of the USB receiver and cable. The USB receiver is a small, rectangular, black device. The USB cable is coiled and has a standard USB-A connector. The ruler has markings in centimeters and millimeters.
EUT View 2	 A photograph showing a black computer mouse next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top. The mouse is positioned to the left of the ruler. The ruler has markings in centimeters and millimeters. The background is a blue textured surface.

EUT View 3	 A black, oval-shaped electronic device is shown against a blue background. The device has a white logo that reads "nintzo" in the center. Below the logo is a small, circular feature. The device is positioned next to a black ruler with white markings, which is used for scale. The ruler shows measurements in centimeters and millimeters.
EUT View 4	 A black, rectangular electronic device is shown against a blue background. The device has a smooth, rounded design. It is positioned next to a black ruler with white markings, which is used for scale. The ruler shows measurements in centimeters and millimeters.
