

Normal Mode RF Power Range (WLAN)

| Band (GHz)                | Mode          | Channel | Freq. (MHz) | Range(dBm) |
|---------------------------|---------------|---------|-------------|------------|
| WIFI 2.4G<br>(2.4~2.4835) | 802.11b       | 1       | 2412        | 5.00-7.00  |
|                           |               | 6       | 2437        | 5.00-7.00  |
|                           |               | 11      | 2462        | 5.00-7.00  |
|                           | 802.11g       | 1       | 2412        | 3.00-5.00  |
|                           |               | 6       | 2437        | 3.00-5.00  |
|                           |               | 11      | 2462        | 3.00-5.00  |
|                           | 802.11n(HT20) | 1       | 2412        | 3.00-5.00  |
|                           |               | 6       | 2437        | 3.00-5.00  |
|                           |               | 11      | 2462        | 3.00-5.00  |
|                           | 802.11n(HT40) | 3       | 2422        | 3.00-5.00  |
|                           |               | 6       | 2437        | 3.00-5.00  |
|                           |               | 9       | 2452        | 3.00-5.00  |

Normal Mode RF Power Range (Bluetooth)

| Band (GHz)                | Mode           | Range(dBm) |
|---------------------------|----------------|------------|
| Bluetooth<br>(2.4~2.4835) | GFSK           | 7.00-9.00  |
|                           | $\pi/4$ -DQPSK | 9.00-11.00 |
|                           | 8-DPSK         | 9.00-11.00 |
|                           | BLE (1Mbps)    | 1.00-3.00  |
