**FCC ID: 2AYSQ-6011**

**FCC/IC Label & Location**

- FCC: Per KDB 784748 themarking may be placed in the user manual if the device is unquestionably too small to be readable (smaller than 4 pt font).
- The model with the FCC ID mentioned above is considered to meet this criteria since the size is 20 mm x 16 mm and 3 pt font is the largest that can be used for module labelling which requires magnification for clear viewing. The certification number FCC (per KDB 784748) will be displayed in the user manual.

Yours sincerely,

A handwritten signature in blue ink that reads 'C. Jaeger'.
