

FCC ID Label Location

The product does not have enough space to place the label, and FCC ID label is reflected in the user manual and package, as below:

Charging

Charging: There is synchronous battery status indication shown on the mobile phone, please charge your earphones when there are audio reminders of low battery.

Charging the charge box

You can connect your charge box with attached cable to a 5V USB charger to charge it when it's out of battery. The red indicator on the charge box will flash during charging and the red light is on after full charging.

Charging the earbuds

Put earbuds to the charge box to charge when needed. Press the "on" button, the blue LED light on the charge box is on, then close the charge box's cover and the red light is on. The red light will turn to blue color after full charging. Please turn off your charge box (the earphone will turn on automatically and it will turn off automatically after 3-5 minutes) Close the output power in the charge box.
