

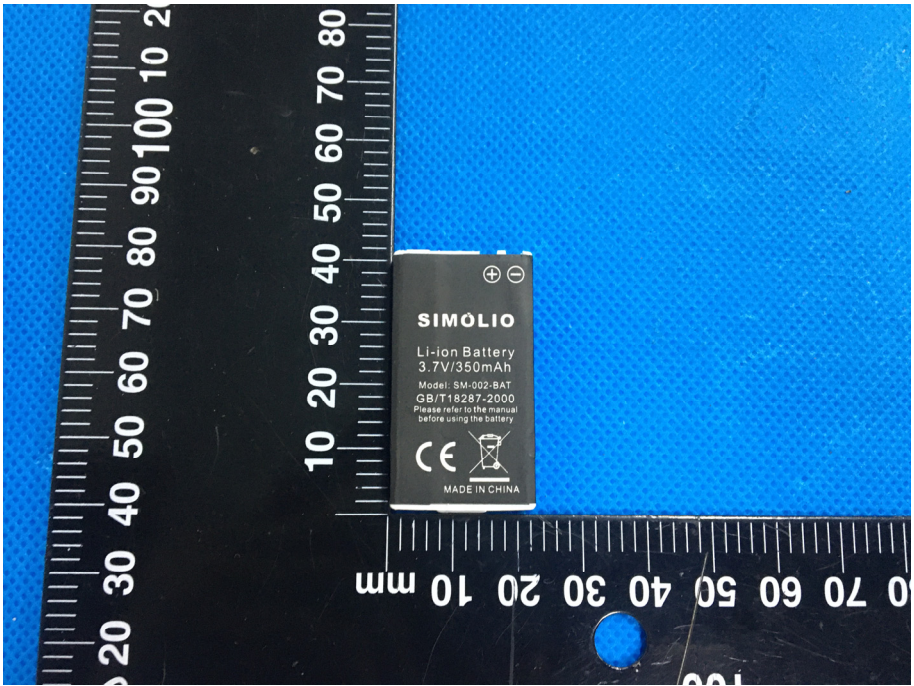

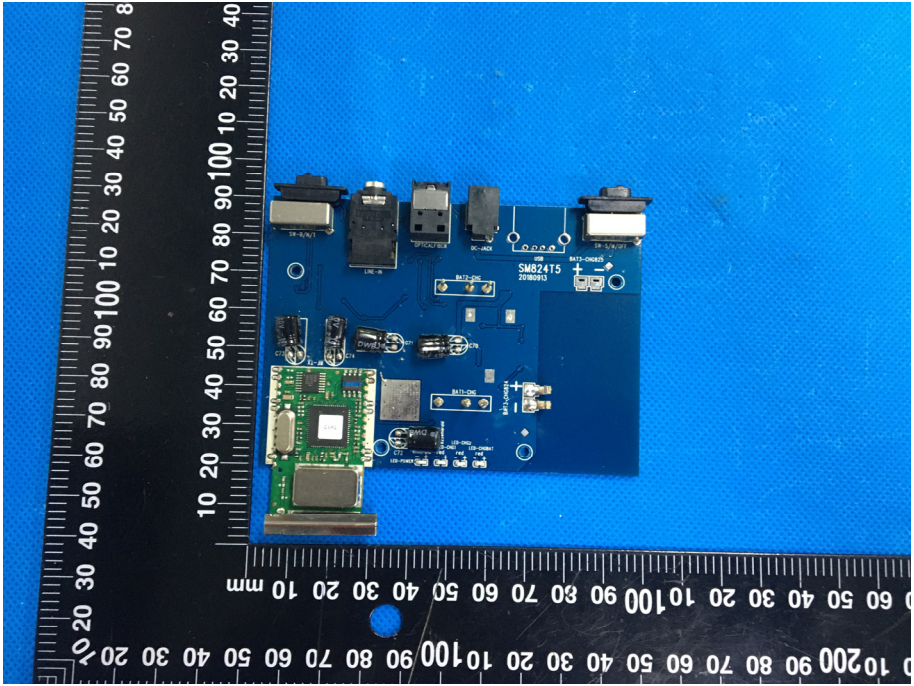

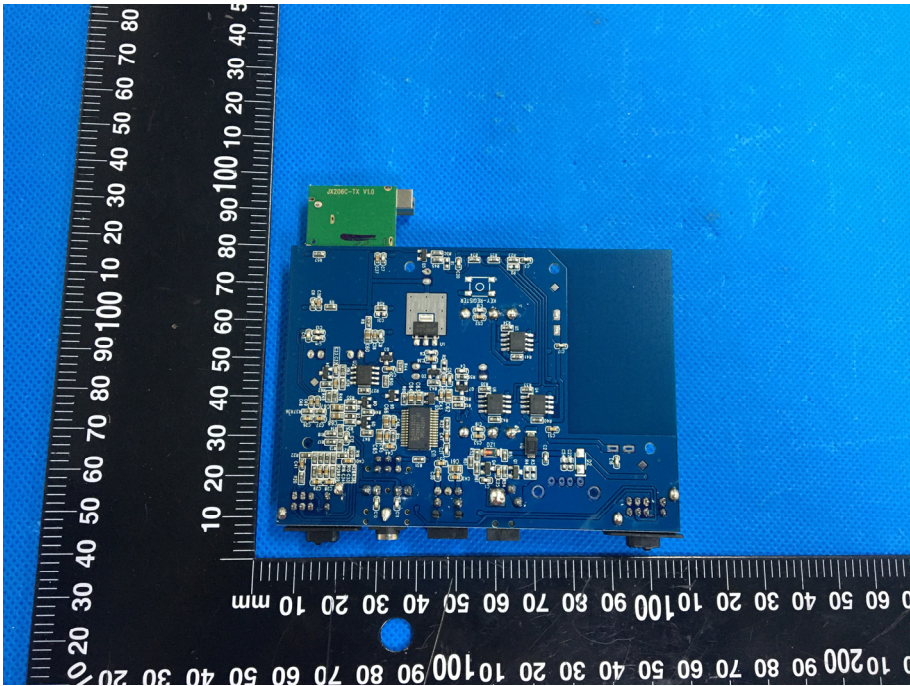

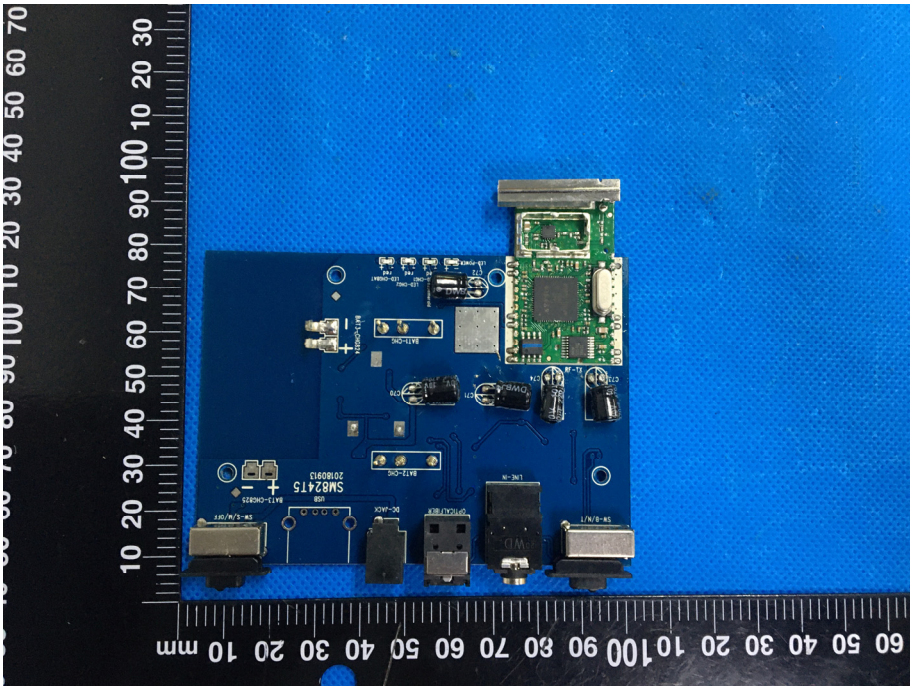

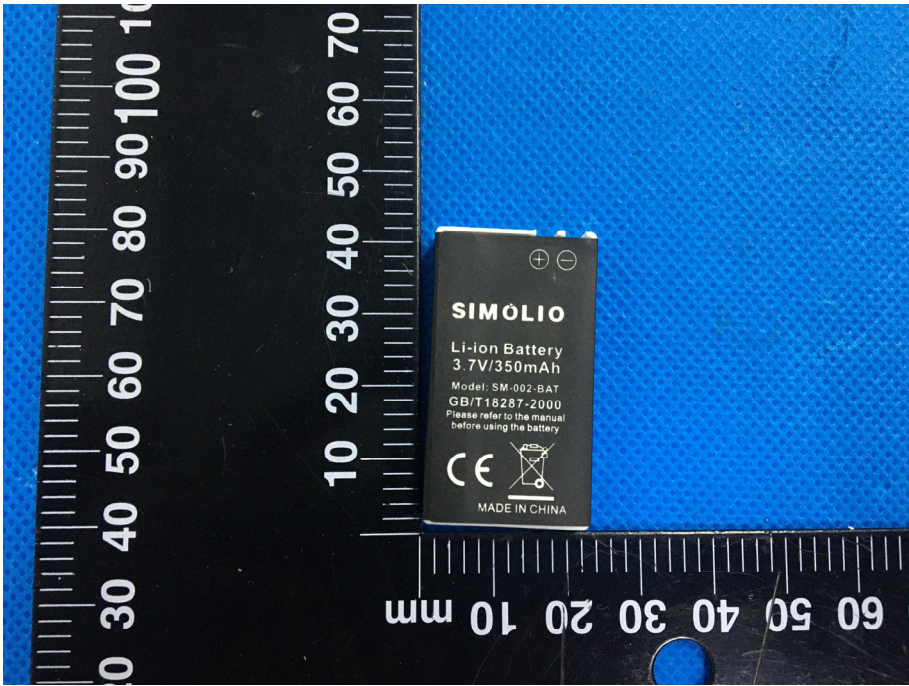

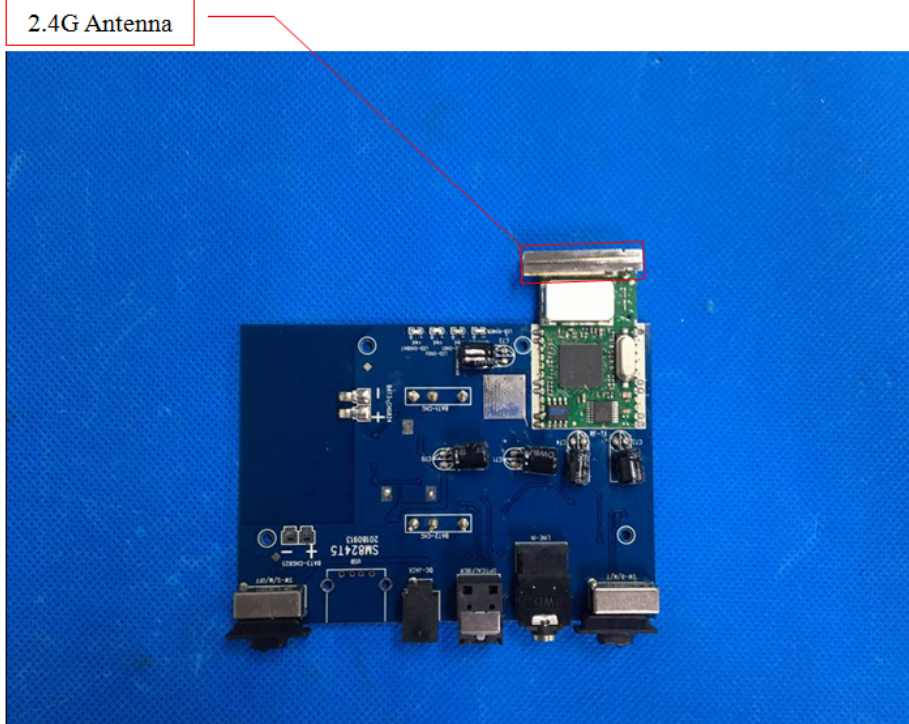

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	
<p>EUT Housing and Board View 2</p>	

<p style="text-align: center;">Solder Board-Component View 1</p>	
<p style="text-align: center;">Solder Board-Component View 2</p>	

<p style="text-align: center;">Solder Board-Component View 3</p>	 <p>A photograph of a blue printed circuit board (PCB) populated with various electronic components, including a central microcontroller, several integrated circuits, and passive components. The board is positioned on a blue textured surface. A black ruler with white markings is placed vertically to the left and horizontally below the board for scale. The ruler shows measurements in millimeters, with the vertical scale ranging from 0 to 100 mm and the horizontal scale from 0 to 100 mm.</p>
<p style="text-align: center;">Solder Board-Component View 4</p>	 <p>A photograph of the same blue PCB from a different perspective, showing the underside or a different side. This view highlights various connectors, including a USB port, a DC power jack, and a multi-pin connector. A green component is visible at the top. The board is placed on a blue textured surface with a black ruler for scale. The ruler is oriented vertically on the left and horizontally at the bottom, showing millimeter markings from 0 to 100 mm.</p>

<p style="text-align: center;">Solder Board-Component View 5</p>	 <p>A photograph of a SIMOLIO Li-ion battery (3.7V/350mAh) placed on a blue textured surface next to a black ruler. The ruler shows measurements in millimeters, with the battery's length being approximately 45mm. The battery label includes the following text: SIMOLIO, Li-ion Battery, 3.7V/350mAh, Model: SM-002.BAT, GB/T18287-2000, Please refer to the manual before using the battery, CE, and MADE IN CHINA.</p>
<p style="text-align: center;">Antenna View</p>	 <p>A photograph of a blue printed circuit board (PCB) with various electronic components. A red box highlights a component labeled "2.4G Antenna" at the top of the board. The board also features a SIM card slot, a USB port, and other connectors. The text "SM824T5" is visible on the board.</p>
