View 2**

<p><b>EUT Housing and Board</b> <b>View 3</b></p>	
<p><b>Solder</b> <b>Board-Component View</b> <b>1</b></p>	

<p style="text-align: center;"><b>Solder Board-Component View 2</b></p>	 <p>A photograph of a blue printed circuit board (PCB) populated with various electronic components, including integrated circuits, resistors, and capacitors. The board is oriented vertically and is placed on a blue textured surface. A black ruler with white markings is positioned to the left of the board, showing measurements in millimeters from 0 to 100. The board's components are densely packed, and a green component is visible at the bottom edge.</p>
<p style="text-align: center;"><b>Solder Board-Component View 3</b></p>	 <p>A photograph of the same blue PCB from a different perspective, showing the bottom side. This view highlights several connectors and components, including a USB-A port, a DC-DC converter, and a large black component. A green component is also visible at the top edge. The board is placed on a blue textured surface, and a black ruler with white markings is positioned to the left, showing measurements in millimeters from 0 to 100.</p>
