

Federal Communications Commission  
Authorization and Evaluation Division

Statement of no change in design regarding application for certification of Federal Communications Commission (FCC) ID: 2AYWR-FLTEL1.

Pursuant to Section 2.933(b) of the Commission's Rules, we hereby state that there is no change in the design, circuitry, or construction, and the original test results continue to be representative of and applicable to the equipment.

We purchase and use Telit Communications' radio module model LE910C4-NF, FCC ID RI7LE910CXN. It is installed onto our equipment with no modifications.

There are no different models of the FLTEL1 module related to this application.

Sincerely,

Jeff Keen, VP, Information Technology and Reliability Services
