

**E-bidet**  
**USER MANUAL**

Thank you for purchasing our product and for having trust in what we do.

Before using this product, please review this user manual and pay attention to the important points, such as how to use the product.

Please carefully follow all notes included in this manual.

Please keep this manual for future use.

Due to the continuous improvement of the company's products, the products are subject to change without notice. The illustrations in this manual are only schematic diagrams, and please refer to the product in kind.

We look forward to your ability to know the product use methods through this manual.

In order to ensure that the product can provide the best function and guarantee your personal safety, you are suggested to read this manual carefully before first use.

# IMPORTANT SAFEGUARDS

---

READ ALL INSTRUCTIONS BEFORE USING

## **DANGER-To reduce risk of electrocution**

1. Always unplug this product immediately after using.
2. Do not use while bathing.
3. Do not place or store product where it can fall or be pulled into a tub or sink.
4. Do not place in or drop into water or other liquid.
5. Do not reach for a product that has fallen into water. Unplug immediately

## **WARNING: To reduce the risk of burns, electrocution, fire, or injury Persons**

1. A product should never be left unattended when plugged in.
2. Close supervision is necessary when this product is used by, on, or near children or invalids.
3. Use this product only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.
4. Never operate this product if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return the product to a service center for examination and repair.
5. Keep the cord away from heated surfaces.
6. Never block the air openings of the product or place it on a soft surface, such as a bed or couch, where the air openings may be blocked. Keep the air openings free of lint, hair, and the like.
7. Never use while sleeping or drowsy.
8. Never drop or insert any object into any opening or hose.
9. Do not use outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered.
10. Connect this product to a properly grounded outlet only. See Grounding Instructions.
11. Unplug this product before filling. Fill (reservoir) with water only unless otherwise specified by manufacturer. Do not overfill (or specify filling instructions).

**SAVE THESE INSTRUCTIONS!**

# GROUNDING INSTRUCTIONS

This product should be connected to a grounded, metallic, permanent wiring system, or an equipment-grounding conductor should be run with the circuit conductors and connected to the equipment grounding terminal or lead on the product.

Cannot plug this power cord into an adapter. It must be plugged directly into a ground-fault circuit-interrupter (GFCI).

**WARNING:**Risk of electric shock - Connect only to a circuit that is protected by a ground-fault circuit-interrupter (GFCI).

## GROUNDING METHODS
