

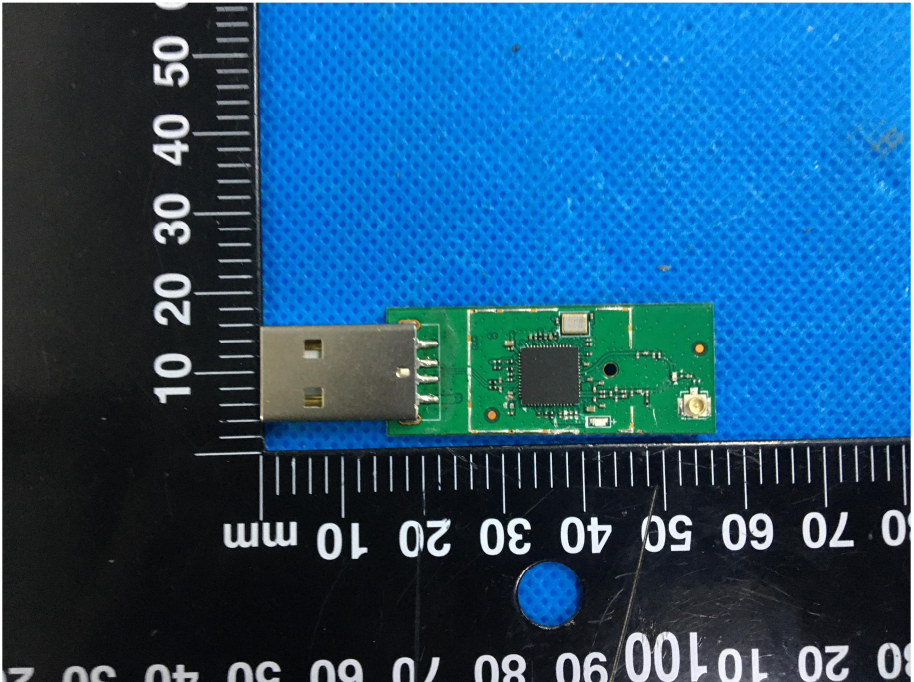

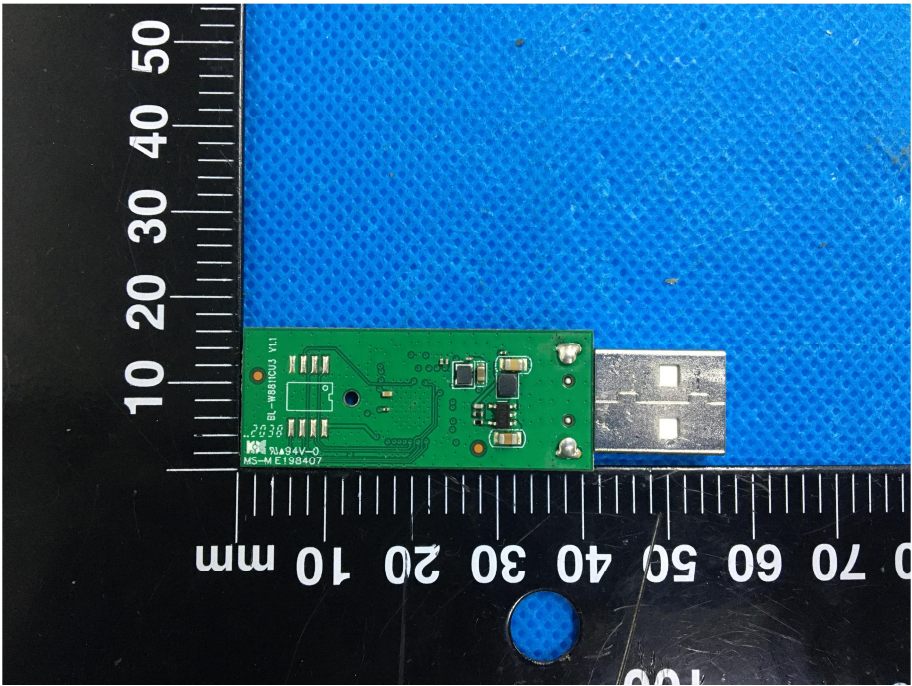

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the EUT housing and board assembly. A black antenna is attached to a green printed circuit board (PCB). The PCB is connected to a black USB-A connector. A black plastic housing is also visible. A black ruler with white markings is placed below the assembly for scale. The background is blue.
Solder Board-Component View 1	 A close-up photograph of the solder board component. The green PCB is shown with various electronic components, including a large black integrated circuit (IC) and several smaller components. A black ruler with white markings is placed below the component for scale. The background is blue.

Solder Board-Component View 2	 A photograph showing a green printed circuit board (PCB) component with a USB connector, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 10 to 50 mm. The PCB has several components, including a USB connector and a small integrated circuit. The text 'BL-H88C03 V11' and 'MS-ME198407' is visible on the PCB.
Antenna View	 A photograph showing a black USB antenna cable with a blue USB connector, placed vertically on a blue textured surface. A red box labeled 'WIFI Antenna' is positioned at the top left, with a red line pointing to the antenna cable.
