 <p>BUILT-TOUGH SOUNDPODS TRUE WIRELESS EARPHONES</p> <p>Bluetooth</p> <p>BC FC</p>	<p>Introduction:</p>  <p>① Dust Net ③ LED Indicator ② Multi-Function Button ④ Charging Port</p> <p>Important information</p> <ul style="list-style-type: none"> The earbud(s) will automatically power on when taken out from the charging case. Both earbuds will automatically pair to each other when turned on. The earbuds will power off if they don't connect to any device within 5 minutes. If the earbuds turn off, turn the earbud(s) on again by: 	<p>a) putting the earbuds back into the charging case and then take it out to power on. OR b) manually turn it on by long pressing the multi-function ② button on the earbuds.</p> <p>Charging your device</p> <p>1. Charging your case:</p> <ul style="list-style-type: none"> Plug in the charging case using the Micro USB cable included. While the case battery is charging, the case LED indicator will be flashing red. When the case is fully charged, the light then will change to solid red. <p>2. Charging your earbuds:</p> <ul style="list-style-type: none"> Place the earbuds inside of the charged case. The earbuds will automatically start charging once placed in the charged case. A solid Red light on the earbuds will indicate that the earbuds are charging. Once fully charged, a Blue light will turn on for 1 minute and then turn off. <p>NOTE: The earbuds and case can be charged simultaneously, but the earbuds will not charge if there is no power in the case. The case needs to have at least a minimum charge to charge the earbuds.</p>	 <p>Pairing your earbuds</p> <ol style="list-style-type: none"> Turn on the Bluetooth on your device Choose "SOUNDPODS" on your list to connect <p>When the LED is off, they are paired successfully There will be a reminding voice saying "connected"</p> <p>Bluetooth usage:</p> <p>1. Making phone calls: Be sure the earbuds are connected with your mobile phone. Once connected you can make phone calls. When making calls both earbuds will be working.</p> <ul style="list-style-type: none"> To answer a call, short press the earbud Multi-function button one time. To reject calls, long press the earbud Multi-function button two seconds. When the earbuds are in music mode, you can dial the last number by quick pressing the earbud Multi-function button twice. <p>2. Listening to music: Be sure the earbuds are connected with your mobile phone. You can listen to music on your music list. Short press the earbud Multi-function button to stop the music; to replay press again.</p>
