

## Difference Statement

Model Name:

LED2100-QI, LED2100-QI-FLT, LED-QI2100-BKG-AMZ, LED2200-QI-BK

The only difference between all models is the color. The PCB schematic, PCB Layout, etc. are all the same. We choose model " LED2100-QI " for RF testing.

A handwritten signature in cursive script that reads "Holly Brien".

Holly Brien/Manager
