### INTRODUCTION

Welcome to your new The Work Earbuds!

At Rayon, we develop and design innovative electronics so you can move and conquer your only footsteps.

Before using your product, we strongly encourage you to fully read through this user guide. You can also visit our support center at [www.rayonglobal.com/support](http://www.rayonglobal.com/support).

This web page has more specific guidelines and helpful videos to you to manage your product.

For best performance, charge fully before first use.

We are Rayon. We create carefully crafted wireless audio products for go-getters who need tech that keeps up with them.

We teamed up with expert engineers, leading taste-makers, and platinum artists to design products you'll love to use.

We believe in the early risers and the overachievers of the world. Premium audio, inspired by you.

**Pairing ID:** The Work Earbuds

### INTERNATIONAL MANUAL

For international versions of the manual, please visit [www.rayonglobal.com/support](http://www.rayonglobal.com/support).

### QUICK START GUIDE

- Take your earbuds out of the case. Both earbuds will connect to each other automatically.
- From the source device, go to Bluetooth settings and ensure Bluetooth is on. Search for "The Work Earbuds" and select it to pair.
- Enjoy your Rayon Work Earbuds!

### FUNCTIONS

- Left Earbud / Right Earbud
- Tap the earbud to play/pause
- Double tap to Volume Up
- Triple tap to Volume Down
- Long press to Play/Pause
- Double press to Next Song
- Triple press to Previous Song
- Long press to 4 times for Voice Assistant
- Double press to 4 times for 18 pods to activate Equalizer Mode
- Long press to 4 times for 18 pods to activate Awareness & ANC Mode
- Press earbuds to toggle, and then earbuds turn to Power On
- Long press to 4 times for 18 pods to Power Off. Long press to 4 times for the earbuds back into the case.

### SOUND PROFILES

We designed sound profiles you can toggle between three different types of sounds. As these unique sound profiles were crafted by artists and producers at the top of the industry, you're in good hands.

- PURE SOUND** - Our most refined sound, perfect for listening to your favorite music.
- BALANCED SOUND** - A leveled sound that is great for all-around entertainment and daily.
- BASS SOUND** - Our bass boosted sound, great for songs with strong beats and a groove for bass lovers.

**11** Hold **18** for 18 pods to activate **Equalizer Mode** to toggle between sound profiles

### AWARENESS & ANC MODE

**AWARENESS MODE**  
Hear what's happening around you.

**ANC MODE**  
Focus and block out unwanted outside noise.

**18** Hold **18** for 18 pods to activate **Awareness & ANC Mode** and toggle between modes

### SMART DETECTION

Butter sensor will pause the music / video automatically if the earbud is removed. The auto play function will begin once you put the earbuds back in your ear and the music/video will start to play again.

### CHARGING YOUR DEVICE

**Charging Earbuds:** The earbuds will charge automatically when placed in the case. The battery indicator lights will flash once when the earbuds are placed back into the case.

**Capcase Fully Charged:** Once fully charged, the battery indicator lights will be continuously.

**Call/Play time:** about 8 hours

**Total battery life:** 32 hours

A fully charged capsule can completely recharge the earbuds up to 5 times before needing to recharge the capsule.

**Wireless Charging:** Simple. Place the case on any Qi-compatible charging mat.

**BATTERY STATUS INDICATOR:** After discharging the full of the charging case, the battery status indicator lights will display the remaining battery life.

**LOW-BATTERY WARNING:** When your battery power is running low, there will be a voice prompt "Low battery", and 30 minutes before the earbuds turn off automatically.

### FACTORY RESET

**RESET**

**FACTORY RESET** - First, slide the "The Work Earbuds" from the Bluetooth settings on your device.

Press and hold the "Rayon" reset button for 5 seconds until the earbuds remain inside the case. Until the 4 battery status indicator lights flash at the same time. Make sure that the charging case has enough power. Once the charging case has enough power, close the charging case, the reset is now successfully completed.

Follow the instructions in section 1 "First Time Pairing" to reconnect the earbuds to your device.

### SAFETY GUIDELINES

Please follow the safety guidelines below at all times when operating or caring for your device.

- Be wary of any edges, uneven surfaces, and metal parts, including on accessories and product packaging to prevent any possible injury or damage.
- Listen to music at a proper volume to avoid hurting your hearing and the earbuds.
- Do not store in high temperatures, such as in a hot vehicle or in direct sunlight.
- Do not expose the earbuds or any of its exposed parts to rain or other liquids.
- Do not drop or cause undue impact to the earbuds.
- Do not modify, repair, or dismantle the product on your own.
- Do not use any flammable or volatile liquid to clean the product.
- Do not use the product in a hazardous location.
- Always keep your gel tips and sensor contacts clean so that they don't interfere with your appreciation of the music.

### FAQ & ADDITIONAL RESOURCES

For frequently asked questions about your device, simply go to [www.rayonglobal.com/support](http://www.rayonglobal.com/support).

Select the product and you will find more resources on how to operate your products including helpful tips and videos.

### SUPPORT

If your device is not functioning correctly, please visit [www.rayonglobal.com/support](http://www.rayonglobal.com/support) for customer support, and we will be more than happy to help you.

### LIMITED WARRANTY

### FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance with the regulations may void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/television technician for help.

The device has not been tested and is not intended to be used in conjunction with a power line communication system. The manufacturer is not responsible for any interference conditions without restriction.

### IC CAUTION

- English

This device complies with Industry Canada (Interference-Restricted) standards. Operation is subject to the following two conditions:

- This device may not cause interference, and
- This device must accept any interference, including interference that may cause undesired operation of the device.

French:

Le présent appareil respecte les normes CMB (Interférences Restreintes) canadiennes. L'utilisation de cet appareil est soumise aux conditions suivantes:

- Le présent appareil ne doit pas produire de brouillage, et
- Le présent appareil doit accepter toute interférence radio, y compris celle qui peut causer un fonctionnement indésirable de l'appareil.
