**FCC Change of ID Request Letter**

To Whom It May Concern:

This change of Identification request applies for a new FCC ID as established in 47 CFR Part [2.933\(b\)](#) for a currently approved device.

Currently approved device (original)

FCC ID:	VPYLBEE5HY1MW
Model:	LBEE5HY1MW
Grant holder:	Murata Manufacturing Co., Ltd
Grant date:	Nov 1, 2022

New device

New FCC ID:	2BA24LBEE5HY1MW
New Model:	SRG0400-WBT

This is to declare that the new model is identical in design and construction to the originally approved model. The original test results are applicable and representative of this changed device. The documents on file with FCC from the original certification remain unchanged and continue to be valid.

Should there be any question, please feel free to contact us.

Sincerely,
