6. Type - C charging port
7. Light key

POWER & BATTERY

IMPORTANT:

Before first use, charge for ~7 hours.

Power/Charging

- Connect the INPUT POWER port to an external power source using the included power cord.

Full charge

- achieved in 7 hours while powered OFF
- achieved in 15 hours while powered ON.

- If the unit was fully charged, it is better to charge for the unit after 3 month if not use, and don't exceed 6 months.
- Need to charge for the unit after use, don't exceed 15 days if the unit no power.

USB port is for charging ONLY

- they will not make audio connections.

REMOVE HANDLAMP

- Turn the screw and remove the Handlamps.

FEATURES

IPX5 water resistance :

As rated according to International Protection Marking (IP Code), the New Lanterns speaker is rated IPX5 for water resistance capable of withstanding exposure to water. This makes the New Lanterns speaker safe in light rain, splashing water, and even around the pool (but not in the pool!).

LED light :

The LUNA speaker has two Handlamp. Use the Handlamp to light up the night, or add some color and ambience to festivities. Change colors and brightness to suit your personal needs.

Handlamp(Light Key) :

 <p>Handlamp Light key</p>	<p>Default CHROME Click one time</p> 	<p>RGB light CHROME + SOLID LOOP + BREATH + ROTATE → Red → Green → Blue → Yellow → Purple → Cyan → White light L1 → L2 → L3 → L4</p>	<p>Double-click</p> 	<p>Flashlight: Breathing → Stays → SOS</p>

EZ PLAY 2 (Additional speakers sold separately)

1. Press the  button to turn on the first speaker, the Bluetooth LED and EZ PLAY 2 LED will slow flash. Press and hold the  key for 2 seconds and the LED will begin to flash rapidly.

2. On additional EZ PLAY 2 speaker**, press the  key to turn on the second speaker, Bluetooth LED and EZ PLAY 2 LED will flash slowly. Press and release the  button and the EZ PLAY 2 LED will begin to flash slowly.

3. Press and hold the  key for 2 seconds and the EZ PLAY 2 LED will begin to flash rapidly.

4. Congratulations! You have successfully paired between the 2 speakers.

5. Repeat steps 1 - 3 to add additional speakers.
You can connect up to 4 speakers total.

EZ PLAY 2 Function Note:

- When speakers successfully connect, the same audio will play through all the speakers.
- The Monster LUNA speakers only need to be synced once and will automatically connect to each other when both are turned on.

GETTING STARTED

Charging Battery :

- Before first use: Charge the unit for 6 hours.
- While charging, the RED LED Indicator will flash slowly.
- When the unit is fully charged, the RED LED Indicator will turn ON.
- When the battery is low, the RED LED Indicator will flash rapidly.
- Press the Power button to turn the speaker ON
(RED LED will turn on, and voice confirmation).
- Speaker will enter Bluetooth pairing mode (BLUE LED will flash).

NOTES :

LIMITED WARRANTY

Model: MNLUNA

This Monster-branded product, marketed as new, in the original carton to the original purchaser ("Product"), is warranted by Russell Distribution Company, LLC against manufacturing defects in materials and workmanship for a limited warranty period of Ninety (90) Days for Labor and One (1) year for Parts. This Limited Warranty is conditioned upon proper use of Product by you, the Purchaser.

This Limited Warranty does not apply to store display products and product sold as a "marked down" special, in as is condition, "close outs", "liquidation and clearance sales", "open box", products missing accessories, or no fault found.

Proof of purchase in the form of a Bill of Sale, Receipt or Receipted Invoice is evidence the Product is within the limited warranty period. The Bill of Sale, Receipt or Receipted Invoice must be presented as a precondition to obtaining the limited warranty service.

This limited warranty begins on the original date of purchase and is valid only on Products purchased through authorized dealers and used in the United States, and Puerto Rico, by the original Purchaser. To receive warranty service, the Purchaser must first contact us for problem determination and service procedures. The original dated bill of sale, receipt or receipted invoice must be presented upon request as proof of purchase.

We will repair your product or if repairs cannot be made, we will replace it at no charge with the same or similar product. If the Product is defective as specified in this limited warranty during the limited warranty period, we may use new or remanufactured parts to repair the Product. All replaced parts and products become our property and must be returned to us. Replacement parts and products assume the remaining original limited warranty, or ninety (90) days, whichever is longer.

Product freight must be prepaid by you, the original Purchaser and shipped in either its original packaging or packaging affording an equal degree of protection. We will not be responsible for or obligated to replace damaged Products.

If the Product is received damaged, it is your responsibility as the consumer to file a claim against the carrier. We will only store the damaged Product for 30 days and reserve the right, in our sole discretion, to dispose of the damaged Product or ship it back to you at your expense after 30 days.

This limited warranty covers manufacturing defects in materials and workmanship encountered in normal, and except to the extent otherwise expressly provided for in this statement noncommercial use of this Product, and shall not apply to the following, including, but not limited to: Damage which occurs in shipment; delivery and installation; applications and uses for which this Product was not intended; altered Product or serial numbers; cosmetic damage or exterior finish; accidents, abuse, neglect, fire, water, lightning or other acts of nature; use of products,

equipment, systems, utilities, services, hardware, supplies, accessories, applications installations, repairs, external wiring or connectors not supplied or authorized by us or the manufacturer, which damage this Product result in service problems: incorrect electrical line voltage, fluctuations and surges; customer adjustments and failure to follow operating instructions, cleaning, maintenance and environmental instructions that are covered and prescribed in the instruction book; reception problems and distortion related to noise, echo, interference or other signal transmission and delivery problems; burned-in images. Uninterrupted or error-free operation of the Product is not warranted.

There are no express or implied warranties other than those listed and described above and no warranties whether express or implied including, but not limited to any implied warranties of merchantability or fitness for a particular purpose, shall apply after the express warranty periods stated above and no other express warranty or guaranty given by any person firm or corporation with respect to this product shall be binding on us.

Repair or replacement as provided under this limited warranty is your exclusive remedy as the consumer. We shall not be liable for any incidental, or consequential damages for breach of any express or implied warranty on this product except to the extent prohibited by applicable law. Any implied warranty of merchantability or fitness for a particular purpose on this product is limited for the duration of this limited warranty this limited warranty shall not extend to anyone other than the original purchaser of this product, is nontransferable and states your exclusive remedy.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Any provision contained herein which is found contrary to state or local laws shall be deemed null and void and the remaining provisions shall continue in full force and effect.

IMPORTANT SAFETY INSTRUCTIONS

- 1) Read these instructions - All the safety and operating instructions should be read before this product is operated.
- 2) Keep these instructions - The safety and operating instructions should be retained for future reference.
- 3) Heed all warnings - All warnings on the appliance and in the operating instructions should be adhered to.
- 4) Follow all instructions - All operating and use instructions should be followed.
- 5) This apparatus can be used in wet location conditions after disconnected the AC Mains supply and closing the water proof cap for the AC Inlet. It must not be used in wet location conditions when charging. Do not use this apparatus near water- The appliance should not be used near water or moisture - for example, in wet basement or near a swimming pool.
- 6) Clean only with dry cloth.
- 7) Do not block any ventilation openings, install in accordance with the manufacturer's instructions.
- 8) Do not install near any heat sources such as radiations, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- 9) Do not defeat the safety purpose of the polarized or grounding plug. A polarized plug has two blades with one wider than the other. A grounding plug has two blades and a third grounding prong. The wide blade or the third prong is provided for your safety. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- 10) Protected the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- 11) Only use attachments / accessories specified by the manufacturer.
- 12) Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart or rack is used use caution when moving the cart / apparatus combination to avoid injury from tip-over.

- 13) Unplug this apparatus during lighting storms or when unused for long periods of time.
- 14) Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- 15) Mains plug is used as the disconnect device, the disconnect device shall remain readily operable.
- 16) Do not install this equipment in a confined or building in space such as a book case or similar unit, and remain a well ventilation conditions at open site. The ventilation should not be impeded by covering the ventilation openings with items, such as newspapers, table-cloth, curtains, etc.
- 17) No naked flame sources, such as lighted candles, should be placed on the apparatus.
- 18) Attention should be drawn to the environmental aspects of battery disposal.

WARNING: The batteries shall not be exposed to excessive heat such as sunshine, fire or the like.

CAUTION: Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type. Protective earthing terminal. The apparatus should be connected to a mains socket outlet with a protective earthing connection.

Protective earthing terminal. The apparatus should be connected to a mains socket outlet with protective earthing connection.

FCC WARNING STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC RADIATION EXPOSURE STATEMENT

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

A lightning flash and arrowhead within an equilateral triangle is intended to alert the user to the presence of insulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

CAUTION

**RISK OF ELECTRIC SHOCK
DO NOT OPEN**

Warning: To reduce the risk of electric shock, do not remove the shell (or back), No user serviceable parts inside refer servicing to qualified service personnel.

An exclamation point within an equilateral triangle is intended to alert the user to the presence of important operation and maintenance (servicing) instructions in the literature accompanying the appliance.

WARNING

Prevent fire and shock hazards. Do not use extension cords or outlets that expose plug blades. Do not expose cables and plugs to rain or moisture.

Do not attempt to perform any servicing that is not included in the operating instructions. Do not attempt to replace the battery, as incorrect installation can cause fire or explosion. For service, contact qualified service personnel.

Do not remove cover or back of product. There are no user-serviceable parts inside. Attempting to modify controls or performance beyond manufacturer specifications may result in hazardous exposure to radiation.
