

## Label Document

Due to small size of the earbud the FCC ID and IC Canada ID will be placed in the owner's guide. The following shows the page of the owner's guide with the FCC & IC ID information.

————— OZLO SLEEPBUDS® | REGULATORY AND LEGAL INFORMATION —————

### Regulatory Information

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment **OFF** and **ON**, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by Drowsy Digital, Inc. could void the user's authority to operate this equipment. This device complies with part 15 of the FCC Rules and with ISED Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause harmful interference; and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with FCC and ISED Canada radiation exposure limits set forth for general population. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Right Bud; FCC ID: 2BAGA010011R

Left Bud; FCC ID: 2BAGA010011L

Charging Case; FCC ID: 2BAGA010011

Right Bud; IC: 31011-010011R

Left Bud; IC: 31011-010011L

Case Model: 010011

Right Earbud Model: 010011R

Left Earbud Model: 010011L

Case Label shown on next page:

For reference the charging case bottom side will be labeled with all other regulatory markings.
