

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing three items: a black mobile phone, a black USB cable, and a black power adapter. They are placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically on the left side of the items. The phone is on the left, the cable is in the middle, and the adapter is on the right.
EUT View 2	 A photograph showing a black mobile phone placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically on the left side of the phone. The phone is centered in the frame.

EUT View 3	 A black smartphone is shown from the back, lying vertically on a light blue textured surface. A black L-shaped ruler is placed next to it for scale. The vertical ruler on the left shows markings from 0 to 100 mm, with the phone's height being approximately 140 mm. The horizontal ruler at the bottom shows markings from 0 to 100 mm. The phone has a black camera module in the top-left corner with two lenses and the word "DIALN" printed below it. A faint diamond-shaped logo is visible on the back of the phone.
EUT View 4	 A black smartphone is shown from the side, lying horizontally on a light blue textured surface. A black L-shaped ruler is placed next to it for scale. The horizontal ruler at the bottom shows markings from 0 to 100 mm, with the phone's width being approximately 70 mm. The vertical ruler on the left shows markings from 0 to 100 mm. The phone has a black camera module in the top-left corner with two lenses and the word "DIALN" printed below it. A faint diamond-shaped logo is visible on the back of the phone.

EUT View 5	 A black smartphone is shown from the back, lying on a light blue textured surface. A black L-shaped ruler is placed next to it for scale. The ruler's horizontal part is at the bottom, and the vertical part is on the left. The phone is positioned to the right of the vertical ruler. The back of the phone has a dark, possibly reflective, rectangular area in the center. The camera module is located in the bottom-left corner, featuring two lenses and a flash. The word "DIALN" is printed vertically on the left side of the phone's back.
EUT View 6	 A black smartphone is shown from the front, lying on a light blue textured surface. A black L-shaped ruler is placed next to it for scale. The ruler's horizontal part is at the bottom, and the vertical part is on the left. The phone is positioned to the right of the vertical ruler. The front of the phone has a dark, possibly reflective, rectangular area in the center. The camera module is located in the bottom-right corner, featuring two lenses and a flash. The word "DIALN" is printed vertically on the right side of the phone's front.

EUT View 7	 A black smartphone is shown from the back, lying on a light blue textured surface. A black ruler with white markings is placed horizontally below the phone and diagonally to its left. The phone has a square camera module in the top right corner with two lenses and the text "13MP HD" and "N7V1C" below them. A small circular sensor is visible on the left side of the back cover.
EUT View 8	 A close-up view of the bottom edge of a black smartphone. From left to right, it shows a small circular hole, a USB-C port, and a speaker grille with four circular openings.
