

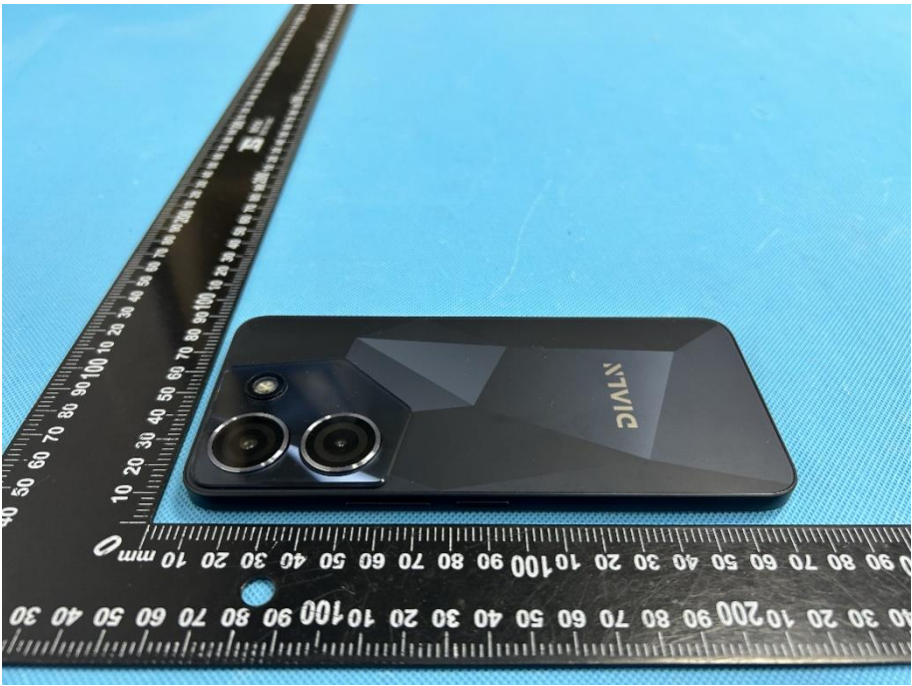

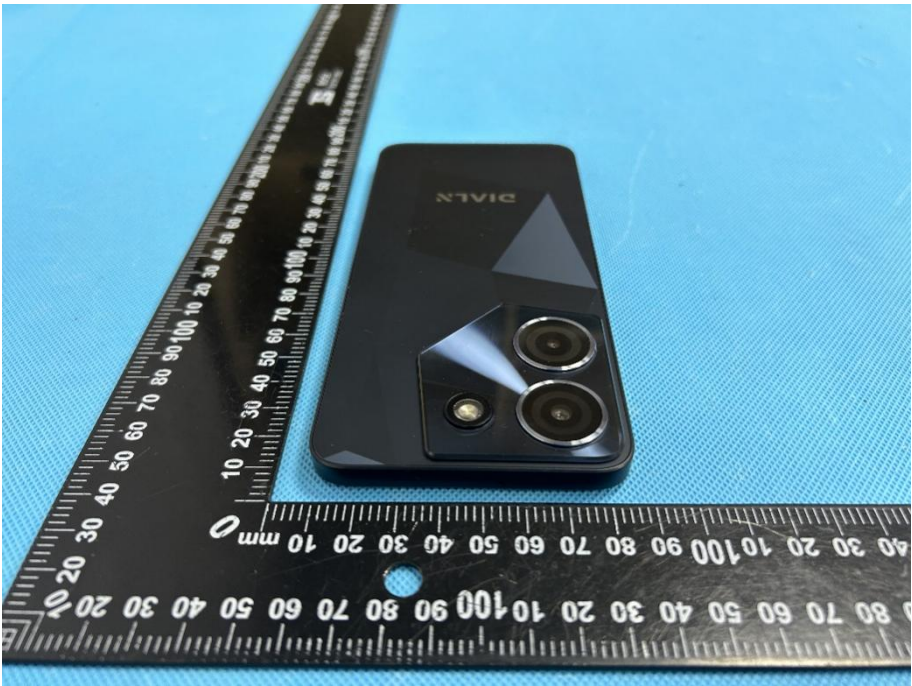

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black smartphone, a white charging adapter, and a white charging cable laid out on a blue textured surface. A black ruler with white markings is placed vertically to the left of the items for scale. The smartphone is positioned vertically, the adapter is to its right, and the cable is coiled to the right of the adapter.
EUT View 2	 A photograph showing a black smartphone laid out on a blue textured surface. A black ruler with white markings is placed vertically to the left of the phone for scale. The phone is positioned vertically, and the ruler is to its left.

EUT View 3	 A black smartphone is shown from the back, lying on a light blue textured surface. The phone has a dual-camera system in the top left corner and the brand name "DIALN" in gold lettering in the center. A black ruler with white markings is placed vertically to the left of the phone, showing measurements in millimeters and centimeters.
EUT View 4	 A black smartphone is shown from the side, lying on a light blue textured surface. The phone has a dual-camera system in the top left corner and the brand name "DIALN" in gold lettering in the center. A black ruler with white markings is placed horizontally below the phone, showing measurements in millimeters and centimeters.

EUT View 5	 A black smartphone is shown from the back, lying on a blue textured surface. A black ruler with white markings is placed horizontally below the phone. The phone features a dual-camera system with two lenses and a flash. The word "DIALN" is visible on the back of the phone.
EUT View 6	 A black smartphone is shown from the front, lying on a blue textured surface. A black ruler with white markings is placed horizontally below the phone. The phone features a dual-camera system with two lenses and a flash. The word "DIALN" is visible on the back of the phone.

EUT View 7	 A black smartphone is shown from the back, lying on a blue textured surface. A black ruler with white markings is placed horizontally below the phone. The phone's back features a large, dark, rectangular camera module in the upper right corner, containing two lenses and a flash. The word "NVLN" is printed vertically in gold on the left side of the phone's back. The ruler shows measurements in centimeters and millimeters.
	 A black smartphone is shown from the side, lying on a blue textured surface. A gold-colored ring is placed behind the phone to provide a sense of scale. The side of the phone shows a USB-C port, a small circular microphone hole, and a larger circular speaker grille.
