

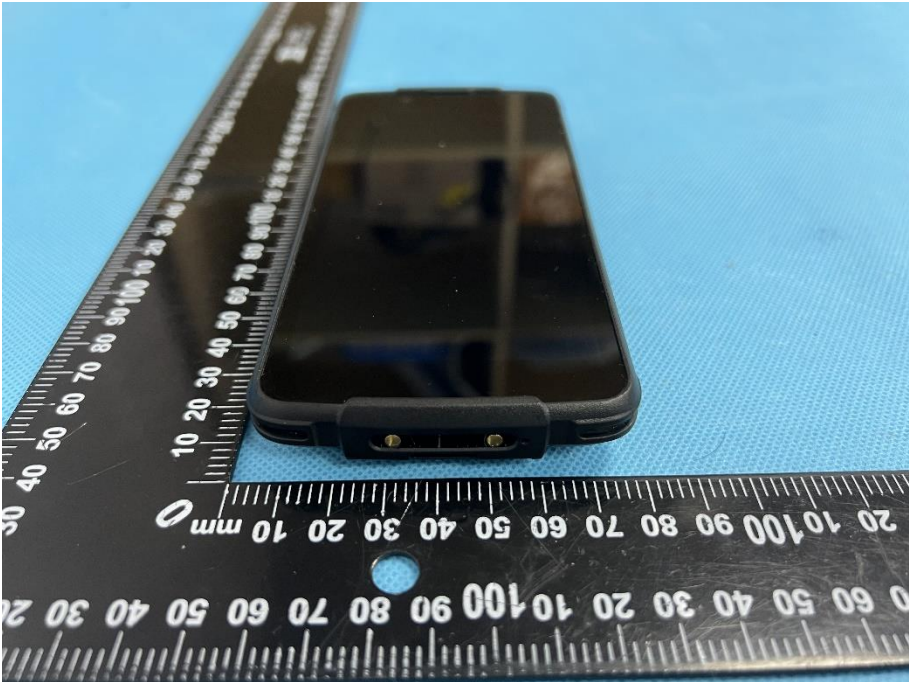

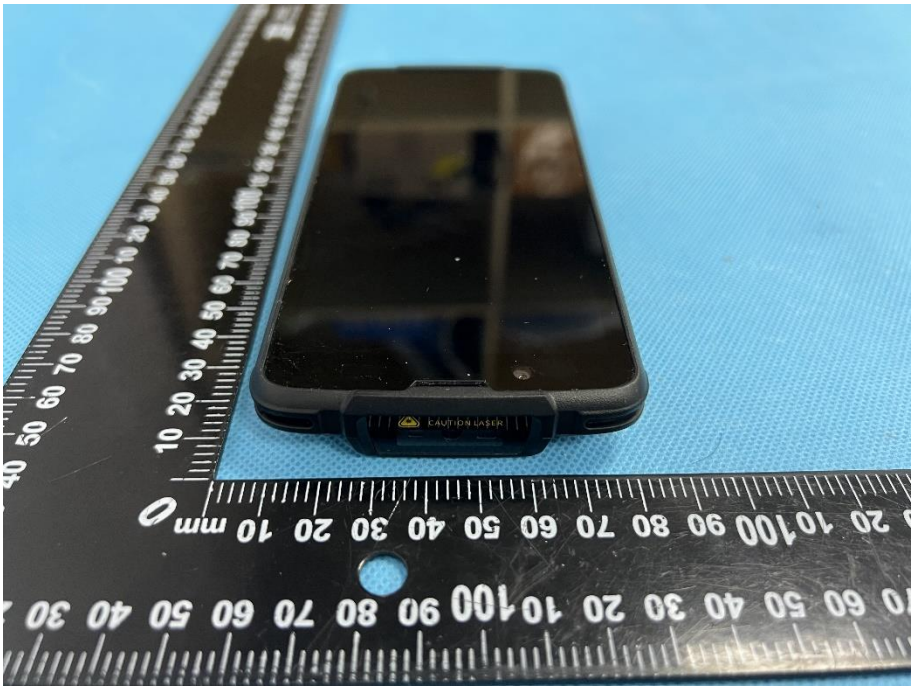

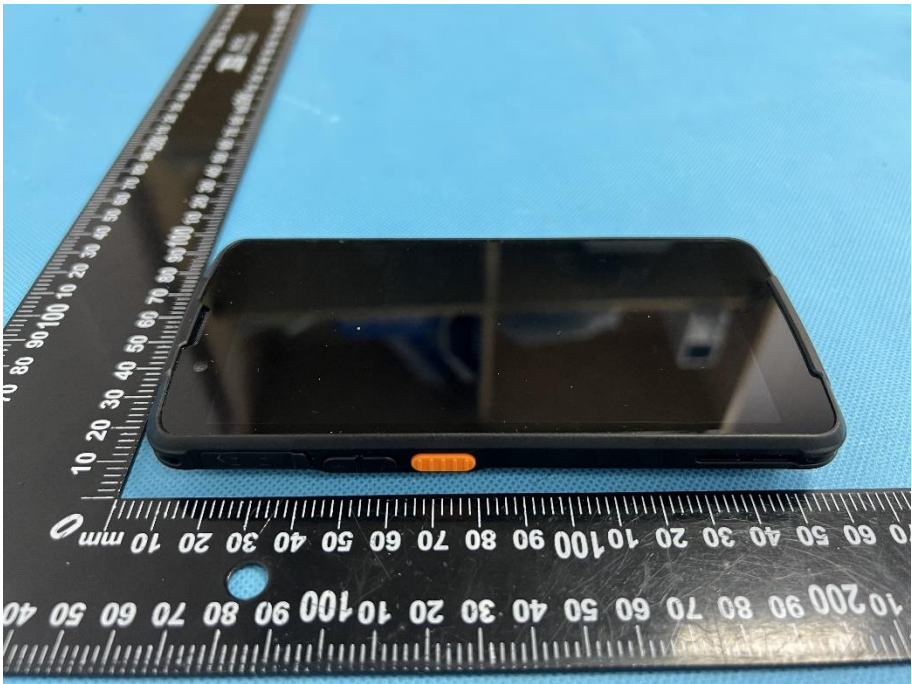

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black mobile phone, a black power adapter, and a white charging cable. They are placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top. The phone is positioned to the left of the adapter and cable. The adapter is a black rectangular block with a white two-prong electrical plug. The cable is a white USB-A to micro-USB cable, coiled into a loose loop.
EUT View 2	 A photograph showing the same black mobile phone from a different angle, likely the back. It is placed on the same blue textured surface next to the same black ruler. The ruler is oriented vertically, with the 0 mark at the top. The phone is positioned to the left of the ruler.

EUT View 3	 A photograph showing the back of a black mobile phone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally across the middle of the phone. The ruler has two scales: the top scale is in centimeters (0 to 100) and the bottom scale is in millimeters (0 to 100). The phone's back features a camera lens and flash in the upper right corner, a small circular sensor in the center, and a larger rectangular sensor or port at the bottom. The phone's edges are slightly raised.
EUT View 4	 A photograph showing the front of a black mobile phone. The phone is positioned vertically on a blue textured surface. A black ruler with white markings is placed horizontally across the middle of the phone. The ruler has two scales: the top scale is in centimeters (0 to 100) and the bottom scale is in millimeters (0 to 100). The phone's front features a large, dark screen and a small speaker or sensor at the bottom. The phone's edges are slightly raised.
