FCC Change of ID Request Letter

To Whom It May Concern:

This change of Identification request applies for a new FCC ID as established in 47 CFR Part [2.933\(b\)](#) for a currently approved device.

Currently approved device (original)

FCC ID:	2BA24-SRG0400
Model number:	SRG0400
Grant holder:	SolidRun Ltd
Grant date:	September 18, 2023

New device

New FCC ID:	2BATG-EBIOTPGW
New Model:	EBIOTPGW

This is to declare that the new model is identical in design and construction to the originally approved model. The original test results are applicable and representative of this changed device. The documents on file with FCC from the original certification remain unchanged and continue to be valid.

Should there be any question, please feel free to contact us.

Sincerely,
