

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black rectangular external unit (EUT) is shown against a blue background. The unit has a power cord with a two-prong plug at the top, a USB port in the middle, and two AC outlets at the bottom. A black ruler is placed vertically to the left of the unit, showing measurements in centimeters and millimeters. The unit is approximately 10 cm high and 4 cm wide.
EUT View 2	 A black rectangular external unit (EUT) is shown against a blue background. The unit has a power cord with a two-prong plug at the top, a USB port in the middle, and two AC outlets at the bottom. A black ruler is placed vertically to the left of the unit, showing measurements in centimeters and millimeters. The unit is approximately 10 cm high and 4 cm wide.

EUT View 3	 A black rectangular electronic unit, likely a power supply or interface module, is shown against a blue background. A black cable is connected to the bottom of the unit and is coiled to the right. A black ruler with white markings is placed vertically to the left of the unit, showing a scale from 0 to 100 mm. The unit is approximately 40 mm wide and 100 mm high.
EUT View 4	 A black rectangular electronic unit, similar to the one in View 3, is shown against a blue background. A black cable is connected to the top of the unit and is coiled to the right. A black ruler with white markings is placed horizontally below the unit, showing a scale from 0 to 100 mm. The unit is approximately 40 mm wide and 50 mm high.
