Please read the instructions carefully before using and keep them properly.

⚠ WARNINGS/CAUTIOUS

- Please confirm whether the voltage is in line with the charging voltage of the product before charging, the product may be damaged due to the use of inappropriate voltage and may bring safety hazards.
- Avoid installation near heat sources, such as air conditioning vents, heating vents, humidifiers and other locations where the temperature changes dramatically. Please avoid direct sunlight.
- This product is not waterproof, do not expose the product to damp areas.
- Small parts and components included. To prevent accidents, do not use the
- When the product doesn't operate normally or has been physically damaged, DO NOT repair the product without professional guidance. The product should only be repaired by authorized professionals.

Parameters

Model	JDZ-22208	Output Voltage	DC 5V	
Bluetooth Chip Ver.	5.1	SNR	>75 db	
Output Power	5 W	Wireless Transmission Range	≥10 m	
Charging Port	Type-C	Battery Capacity	500 mAh	
Frequency	50Hz-20KHz	Speaker Dimension	40 mm	
Impedance	4Ω	Battery Life	6 h	
Weight	126 g			

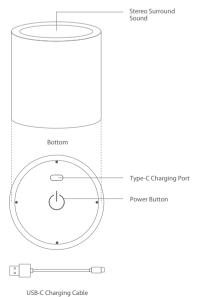

Actio-X®

Harmoni Bluetooth Ceramic Speaker User Manual

Product Introduction

Operating Instructions

Using for the first time

① Press and hold the power button on the bottom for 2 seconds to turn on the speaker. You'll find the indicator light blinking white and the speaker saying "Power on, pairing..."

- ② With the speaker powered on, open the Bluetooth feature on your mobile devices and connect the speaker. Once connected, you might hear the speaker says "Connected." (The next time speaker turns on, it will connect to the device automatically.)
- 3 Play music on your mobile devices.

Low Battery Warning

When the battery of the speaker gets low, the speaker will say "Battery low." While charging, the battery light glows solid red. When the battery is fully charged, the battery light goes out.

Press the power button on the bottom can play/pause the music. (You can also play/pause the music by controlling your devices, such as mobile phones and

Warranty Policy

If there are any problems with Harmoni, please feel free to contact us. If the product is damaged due to non-human reasons, it can be fully refunded or replaced within 90 days after receiving the product. Please note that manual damage is not covered by the warranty. We are committed to providing you with fast and friendly service!

Non-warranty Services

- ① Unauthorized repair, misuse, collision, abuse, liquid immersion, accident, tearing, alteration, labeling of anti-counterfeiting marks.
- The validity period of warranty service has expired.
- ③ Damage caused by force majeure.
- 4 Product performance failure caused by human reasons, such as the use of non-rated voltage, use improper environment, etc.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- -- Reorient or relocate the receiving antenna.
- -- Increase the separation between the equipment and receiver.
- -- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- -- Consult the dealer or an experienced radio/TV technician for help.

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

The devices has been evaluated to meet general RF exposure requirement, the device can be used in portable exposure condition without restriction
