FCC STATEMENT :

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference.

(2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1) Reorient or relocate the receiving antenna.

2) Increase the separation between the equipment and receiver.

3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

4) Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

This symbol on the product or in the instructions means that your electrical and electronic equipment should be disposed of at the end of its life separately from your household waste. There are separate collection systems for recycling in your country. For more information, please contact the local authority or your retailer where you purchased the product.

Cozyla Liability Disclaimer

The Calendar+ Go adhesive mount utilizes 3M adhesive to attach the product to surfaces such as glass, metal, fridge, and cabinets. While the adhesive is designed for secure attachment, prolonged use under various environmental conditions may lead to aging or weakening of the adhesive, which could result in the mount detaching over time. Users are advised to regularly inspect the stability of the mount to prevent accidental detachment. Additionally, adhesive use may cause discoloration or damage to certain surfaces, which can vary based on surface materials and environmental factors.

By using this mounting feature, you expressly acknowledge and accept all inherent risks associated with adhesive use, including but not limited to potential detachment, surface damage, discoloration, personal injury, or damage to property or devices. Cozyla disclaims any liability for any direct, indirect, incidental, or consequential damages to surfaces, property, personal injury, or damage to devices arising from the use or detachment of the adhesive mount. Users agree that they will not hold Cozyla liable for any damages, injuries, or losses resulting from the use, misuse, or failure of the adhesive mount.

By using this product, you agree that Cozyla is not liable for any claims, losses, damages, or injuries arising from the use of the Calendar+ Go adhesive mount and its adhesive, including but not limited to any failure of the mount to adhere properly over time. Your use of this product constitutes acceptance of these terms.
