

Letter of Declaration on Indoor Client (6XD) Operation

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road Columbia, MD 21046

FCC ID: 2BCGWTBE400UH

To Whom It May Concern

We, **TP-LINK CORPORATION PTE. LTD.** (Address: 7 Temasek Boulevard #29-03 Suntec Tower One, Singapore 038987), attest that this Indoor Client device complies with the following requirements of Part 15E of the FCC's rules for 6G bands:

Protocol attestation statement:

- 1) This device will only associate and connect with a low-power indoor access point or subordinate device and never directly connect to other client devices.
- 2) This device will always initiate transmission under the control of a low-power indoor AP or subordinate except for brief transmissions before joining a network.
These short messages will only occur if the client has detected an indoor AP or subordinate operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP and It will not continually repeat the request.
- 3) Transmissions will be lower or equal to the power advertised by the Indoor Client and never above the maximum output power allowed by the FCC grant for equipment class 6XD.

Statement acknowledging device restrictions:

- 1) This device is prohibited for control of or communications with unmanned aircraft systems, including drones.

Sincerely,

A handwritten signature in black ink that reads 'Sarah Wang'. The signature is written in a cursive, flowing style.
