

Appendix D. Photographs of the Test Set-Up

Photo 1: Horizontal Up_5mm	Photo 2: Horizontal Down_5mm
 A close-up photograph showing a cylindrical component with a black top and a grey body, secured with yellow straps. The component is positioned horizontally under a red surface. The top of the component has some markings, including "H-D".	 A close-up photograph showing the same cylindrical component as in Photo 1, but from a slightly different angle, showing the bottom of the component. The top of the component has markings, including "H-D".
Photo 3: Vertical Front_5mm	Photo 4: Vertical Back_5mm
 A close-up photograph showing the cylindrical component from a vertical perspective, facing forward. The top of the component has markings, including "H-D".	 A close-up photograph showing the cylindrical component from a vertical perspective, facing backward. The top of the component has markings, including "H-D".
Photo 5: Tip Side_5mm	
 A close-up photograph showing the tip of the cylindrical component from a side perspective. The tip is black and has markings, including "H-D".
