To Whom It May Concern,

Pursuant to the provisions of the Commission's rules Title 47 Sections §0.457 and §0.459, we are requesting the Commission to withhold the following attachment(s) as confidential documents from public disclosure indefinitely.

These documents contain detailed system and equipment descriptions and are considered as proprietary information in the operation of the equipment. The public disclosure of these documents might be harmful to our company and would give competitors an unfair advantage in the market.

- Block Diagram
- Operational Description

In addition to the above-mentioned documents, in order to comply with the marketing regulations in Title 47 CFR §2.803 and the importation rules in Title 47 CFR §2.1204, while ensuring that business-sensitive information remains confidential until the actual marketing of newly authorized devices, we request Short Term Confidentiality of the following attachment(s);

- External Photos
- Test Setup Photos
- Internal Photos
- User Manual

For 180 days or until the device is marketed. If the device is marketed within the confidential period, the applicant will notify the TCB per FCC KDB 726920 D01 Confidentiality Request Procedures.

It is our understanding that all measurement test reports, FCC ID label format, and correspondence during the certification review process cannot be granted as confidential documents, and this information will be available for public review once the grant of equipment authorization is issued.

Sincerely,
