Equipment Authorization Division  
Application Processing Branch  
7435 Oakland Mills Rd  
Columbia, MD 21046**

Pursuant to FCC 22-84 Report and Order and KDB 986446 D01 Covered Equipment v01, the Commission adopted new FCC requirements to protect the nation's networks and supply chains from equipment that poses an unacceptable risk to national security or the safety of U.S. persons. Specifically, the Commission adopted rules that prohibit equipment authorization for "covered" telecommunications equipment and video surveillance equipment produced by entities identified on the Commission's Covered List.

Certification designating a U.S. agent for service of process. As required by section 2.911(d)(7), the applicant must designate a contact located in the United States for purposes of acting as the applicant's agent for service of process, regardless of whether the applicant is a domestic or foreign entity.

An applicant located in the United States may designate itself as the agent for service of process.

1. Be signed by both the applicant and the designated agent for service of process if the agent is different from the applicant.
2. Molex Sensorcon, LLC (307 Cayuga Rd, STE 100, Buffalo, NY 14225; jonathan.itschner@molex.com)
3. FRN number 0033920711
