

## 1. Antenna Information

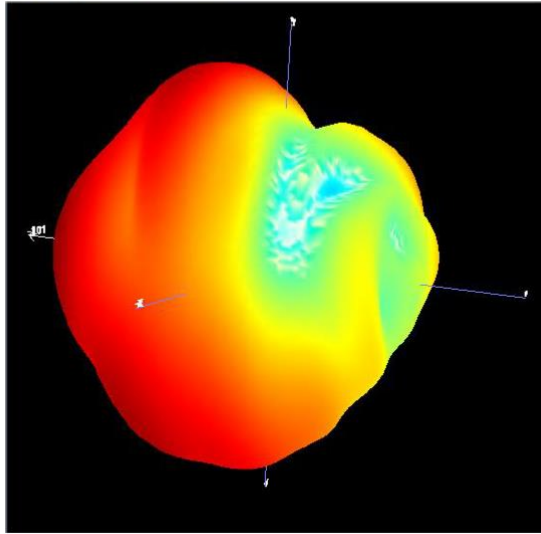

|              |  |
|--------------|--|
| Manufacturer | SHENZHEN SONDONWEAR INFORMATION TECHNOLOGY CO.,LTD |
| Model        | L69  |
| Type         | Wire   |
| Gain         | -1dBi  |

## 2. Radiation Pattern

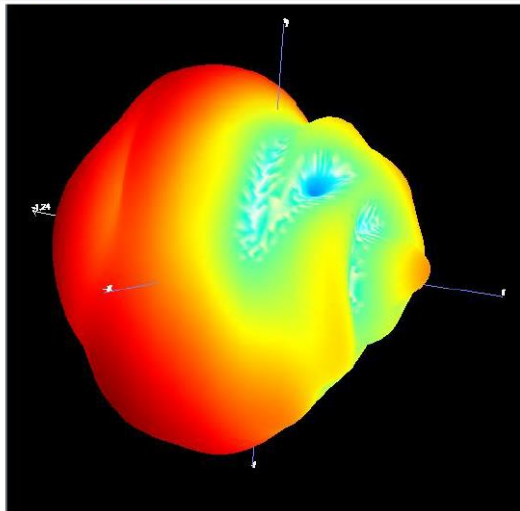

### 3. 3D Pattern

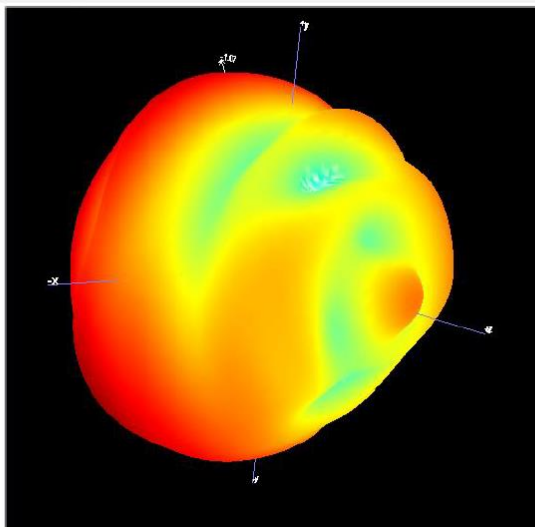

B1.1 3D Pattern for 2400MHz

B1.2 3D Pattern for 2450MHz

B1.3 3D Pattern for 2500MHz

#### 4. Antenna gain

| Frequency | Gain (dBi) | Efficiency (%) |
|-----------|------------|----------------|
| 2400MHz   | -1.01      | 23             |
| 2410MHz   | -1.0       | 24             |
| 2420MHz   | -1.02      | 24             |
| 2430MHz   | -1.15      | 24             |
| 2440MHz   | -1.22      | 25             |
| 2450MHz   | -1.24      | 25             |
| 2460MHz   | -1.30      | 25             |
| 2470MHz   | -1.13      | 25             |
| 2480MHz   | -1.23      | <b>26</b>      |
| 2490MHz   | -1.24      | 26             |
| 2500MHz   | -1.07      | 25             |
